 - a) Discussion of when and if to have a 2022 SKY 5K run/walk. It was discussed whether we should go back to a spring event where the school organizations can participate more and get people to sign up or leave in the fall which does not allow the organizations enough time to actively get people to register. It was decided to put it back in the spring of April 2023. It was also discussed that maybe we can offer an incentive to our loyal sponsors who sign up early to be a sponsor to get free ad space in the resource guide that the JJC is trying to get updated this year.
