OLD BUSINESS

Recommendation on Request from the Village of Plattville to Amend Section 2 of the Proposed Intergovernmental Agreement by Deleting the Reference to the Kendall County Comprehensive Plan and Clarification of Costs as Stated in Section 4 of the Proposal

Plattville Village President June McCord requested that the reference that Plattville adopt the County's Comprehensive Plan be removed from Section 2 of the proposed Intergovernmental Agreement. Plattville previously adopted a Comprehensive Plan and is considering amending their Plan. If the amendment to the Intergovernmental Agreement is approved, the Kendall County Regional Planning Commission, Kendall County Zoning Board of Appeals, and Kendall County Planning, Building and Zoning Department would follow the Village of Plattville's Comprehensive Plan when making recommendations regarding land uses inside Plattville. Village President McCord was agreeable to the fee requirement listed in Section 4 of the proposed Intergovernmental Agreement.

Member Gilmour made a motion, seconded by Member Gengler, to recommend approval of an amendment to the Intergovernmental Agreement by removing the requirement that the Village of Plattville adopt Kendall County's Comprehensive Plan.

The votes were as follows:

Yeas (4): Gengler, Gilmour, Kellogg, and Prochaska
Nays (0): None
Abstain (0): None
Absent (1): Flowers

The motion carried. This matter goes to the Kendall County Board on July 2, 2019.

NEW BUSINESS

Request for WBK to Conduct a Stormwater Investigation at Highgrove Subdivision at a Cost Not to Exceed \$1,200

Suzanne Casey provided information and pictures of flooding in the area.

Member Kellogg asked who would be responsible for solving the problem if a violation existed. Mr. Asselmeier responded that the County would pursue legal action against the property owners per the violation process in the Stormwater Management Ordinance.

Mr. Holdiman explained the site plan review process.

Ms. Casey requested information on how to correct the stormwater problem.

Discussion occurred regarding terraces on the property.

The consensus of the Committee was to request that the Kendall County Highway Department shoot the grades of the lots and road. Also, to ask Fran Klaas if the grade of the ditch at the front of the lots are adequate.

Request from Jennifer Wirth for a Refund in the Amount of \$260.48 for an Unused Building Permit at 977 Route 31, Oswego

Mr. Asselmeier summarized the request.

Ms. Wirth is requesting a refund in the amount of Two Hundred Sixty Dollars and Forty-Eight Cents (\$260.48). She wanted to construct a pole building on her property and her supplier cannot fulfill the order.

Member Gilmour made a motion, seconded by Member Gengler, to refund the money as requested.

The votes were as follows:

Yeas (4): Gengler, Gilmour, Kellogg, and Prochaska
Nays (0): None
Abstain (0): None
Absent (1): Flowers

The motion carried. This matter goes to the Kendall County Board on July 2, 2019.

Review of Annual NPDES Survey

Mr. Asselmeier read his memo on the subject.

According to Kendall County's NPDES Permit, the County is supposed to survey townships annually on stormwater related topics.

WBK provided the list of question.

Staff is not proposing any changes to the survey.

Staff was wondering if the Committee had any suggested questions they would like included on the survey.

Surveys will be mailed and emailed to the townships.

The consensus of the Committee was that no changes should be made to the survey.

Recommendation on Junk and Debris Citation Letter

Mr. Koeppel distributed the letter. The letter is basically the same as the letter for violations to the Inoperable Vehicle Ordinance with adjustments made to reflect the requirements of the Junk and Debris Ordinance.

The Committee waived attorney-client privilege on this matter.

Mr. Asselmeier read the definition of junk and debris from the Junk and Debris Ordinance.

Member Gengler made a motion, seconded by Member Gilmour, to forward the letter to the County Board.

The votes were as follows:

Yeas (4): Gengler, Gilmour, Kellogg, and Prochaska

Nays (0): None

Abstain (0): None

Absent (1): Flowers

The motion carried. This matter goes to the Kendall County Board on July 2, 2019.

Discussion of Planning, Building, and Zoning Department Related Ordinance Enforcement

Mr. Asselmeier read his memo on the subject.

In 2018, the Planning, Building and Zoning Committee directed the Department to work with the State's Attorney's Office on updating various Planning, Building and Zoning related ordinances to allow the Department to issue citations instead of having the County Board file civil suit against alleged violators. In 2018 and 2019, the County Board amended the Inoperable Vehicle Ordinance and Junk and Debris Ordinance to allow the Planning, Building and Zoning Department to issue citations without receiving a complaint.

The next ordinance that could be amended to allow issuance of citations is the Zoning Ordinance. The Zoning Ordinance regulates uses on property, heights of structures, the placement of fences, and parking locations, among many other regulations.

As an example of change in process, if the Department had citation authority, the fence at 790 Eldamain Road would have been sent to court in 2018 instead of continual review by various County committees.

In addition, the citation writing procedure within the Department is new and may take time to refine in cases of inoperable vehicles and junk and debris cases. Also, with a limited number of employees, the Department is learning how to appropriately allocate time for employees to handle additional enforcement cases.

Staff is requesting time to gather data on the enforcement of the recently updated Inoperable Vehicle and Junk and Debris Ordinances before moving forward with the zoning ordinance.

Accordingly, Staff requests direction as to how to proceed with ordinance enforcement.

Mr. Koeppel explained the old and new process for handling complaints.

The consensus of the Committee was to take time to see how enforcement of the Junk and Debris and Inoperable Vehicle Ordinance goes. The consensus of the Committee was also to have the Department research the cost for hiring either a part-time or full-time code enforcement officer.

Discussion of Intergovernmental Agreement with Oswego Township for Ordinance Enforcement

Mr. Asselmeier read his memo on the subject.

The majority of Planning, Building and Zoning ordinance violation complaints occur in Oswego Township, the most populous township in Kendall County.

Since 2018, Oswego Township has amended their parking regulations in cases of certain snowfalls and enhanced their tall grass and weed regulations. In order to enforce these regulations, Oswego Townships has hired one (1) part-time inspector.

When Oswego Township's inspector is in the field, he observes violations of various Kendall County Planning, Building and Zoning related ordinances. When Brian Holdiman is in the field in Oswego Township, he observes violations of Oswego Township's regulations.

Staff was wondering if the Department should pursue an intergovernmental agreement with Oswego Township on ordinance enforcement matters. As a starting point, Oswego Township would assist in the enforcement of Kendall County's Junk and Debris Ordinance and Inoperable Vehicle Ordinance and Kendall County would assist Oswego Township with Tall Grass and Weed Violations. At this point, increased citation capabilities are new for both Oswego Township and the Kendall County Planning, Building and Zoning Department. Any intergovernmental agreement would not be executed until 2020 at the earliest.

The preference of the Committee was for the County to hire an additional employee instead of an Intergovernmental Agreement because the County would have greater control over a County employee instead of an employee of another governmental entity. The consensus of the Committee was to hold off of an Intergovernmental Agreement at this time.

OLD BUSINESS

Request from Randy Erickson D.B.A. Erickson Construction that the Insurance Requirements for the Proposed Plumbing Inspection Contract Remain Unchanged

Mr. Asselmeier read his memo on the subject.

Kendall County's contract with Randy Erickson, D.B.A Erickson Construction expires in December 2019.

At the April 30th meeting, the Planning, Building and Zoning Committee approved changing the insurance language at the request of the County's insurance consultant. Mr. Erickson, through his insurance provider, requested that the insurance language remain unchanged. Mr. Erickson informed Brian Holdiman that, if the insurance change is approved, he (Mr. Erickson) would need to change his rate.

The consensus of the Committee was to have the Department ask Mr. Erickson what his fee would be if the new insurance requirements were implemented. The Department will be evaluating all building permit related fees in the summer and fall of 2019.

Review of Mobile Home, RV, and Trailer Parking Regulations

Member Kellogg left at this time (9:02 a.m.).

Mr. Asselmeier read his memo on the subject.

At the May Kendall County Planning, Building and Zoning Committee meeting, the Committee requested Staff to investigate the Village of Montgomery's regulations pertaining to the parking of RVs in residential zoning districts.

For simplicity purposes, Staff prepared a table comparing the regulations of the Village of Montgomery, the Village of Oswego and Kendall County on this topic. For Kendall County's regulations, only the regulations for the R-4, R-5, R-6, and R-7 zoning districts are shown.

These regulations are in the Zoning Ordinance and a citation could not be written for violating this ordinance at this time.

The consensus of the Committee was to review the information provided and to discuss possible amendments to the Zoning Ordinance at a future meeting.

Zoning Ordinance Project Update

Mr. Asselmeier reported that Mr. Hoffman plans to provide the updated Ordinance today (June 24, 2019).

REVIEW OF THE VIOLATION REPORT

Member Kellogg returned at this time (9:10 a.m.).

The Committee reviewed the violation report.

Update on Zoning Violation at 790 Eldmain Road

Mr. Asselmeier reported that this case was closed.

Update on Violation of Stormwater Ordinance at 84 Woodland Drive

Mr. Asselmeier reported that this case was closed.

Approval to Forward to the Kendall County State's Attorney Office a Violation of Section 11.05.A.1.b.ii of the Kendall County Zoning Ordinance (Prohibited Parking of a Trailer in the Front Yard Setback) at 44 Circle Drive West

Mr. Holdiman provided information on the case.

Member Kellogg made a motion, seconded by Member Gilmour, to forward this violation to the Kendall County State's Attorney's Office.

The votes were as follows:

Yeas (4): Gengler, Gilmour, Kellogg, and Prochaska

Nays (0): None

Abstain (0): None

Absent (1): Flowers

The motion carried. This matter will be sent to the Kendall County State's Attorney's Office.

REVIEW NON-VIOLATION COMPLAINT REPORT

The Committee reviewed the non-violation report.

UPDATE FROM HISTORIC PRESERVATION COMMISSION

Mr. Asselmeier reported that the Commission completed their review of the Historic Preservation Ordinance and has sent the proposal to the Illinois Historic Preservation Agency for review with the plan that the Ordinance meet the requirements for Certified Local Government status.

REVIEW PERMIT REPORT

The Committee reviewed the permit report.

REVIEW REVENUE REPORT

The Committee reviewed the revenue report.

Fox River Water Trail Organizers Seek Public Input

Geneva, Illinois The Core Development Team (CDT) of the Fabulous Fox! River Water Trail will be hosting several workshops in June sharing the results of their efforts with volunteers who have paddled the river collecting data. The CDT will display maps of the trail identifying the access sites and amenities, and information about journeys on segments of the river. The CDT will also be seeking input from paddlers and others familiar with the river to review the information collected and share additional information that would help paddlers enjoy safe and pleasant experiences. The CDT will then do a gap analysis and provide recommendations to public landowners including county and municipal governments.

Three Illinois workshops have been scheduled with plans to hold a fourth one in an additional community along the river. Currently scheduled workshops:

Monday, June 17 – Geneva at Kane County Government Center, 719 S. Batavia Ave.

Monday, June 24 – Yorkville at Hampton Inn, 310 E. Countryside Parkway

Friday, June 28 – McHenry at City of McHenry Rec Center, 333 S. Green St.

The Fabulous Fox! River Water Trail has been in development for several years with organizers from two states working with the National Park Service, SE Wisconsin Regional Planning Commission and the Fox River Ecosystem Partnership

Volunteer paddlers assisted to collect data on access sites, journey segments, hazards, dams and portages, amenities at access sites, and more. The Core Development Team is ready to share the results of those efforts and look for input from stakeholders to share their knowledge of the river to help fill in gaps and other information before applying for inclusion in the National Water Trail System.

Please join us at the workshop closest to you to learn and share.

Negative impacts to the above are considered unlikely and consultation was terminated. EcoCat related materials are included as Attachment 1, Pages 20-23.

NATURAL RESOURCES INVENTORY

The Petitioner submitted an application for NRI. The related documents are included as Attachment 1, Page 19. The LESA Score was 173 indicating a low level of protection. The NRI Report is included as Attachment 20.

ACTION SUMMARY

FOX TOWNSHIP

Fox Township submitted comments on April 16, 2019. The Township requested the following:

1. Any encroachment onto the Finnie Road right-of-way closer than one hundred and twenty-six feet (126') be required to obtain a traditional variance. (The original site plan submitted by the Petitioner had a three foot (3') encroachment.)
2. Any permits required for storm water management must be procured prior to the issuance of any building permit.
3. Fox Township Board and the Fox Township Highway Department reserve the right to approve or disapprove any overhead walkway on Finnie Road.

The Township's comments are included as Attachment 19.

The Petitioner agreed with Fox Township's requests.

VILLAGE OF MILLBROOK

Petition information was sent to the Village of Millbrook on March 26, 2019. To date, no comments have received

SANDWICH FIRE PROTECTION DISTRICT

Petition information was sent to the Sandwich Fire Protection District on March 26, 2019. To date, no comments have been received

ZPAC

ZPAC met on this proposal on April 2, 2019. The Petitioner stated that the projected number of people onsite will not change from the 2014 projection which was an increase of forty percent (40%). Discussion occurred regarding a right-of-way dedication for Finnie Road. The suggestion was made to have right-of-way dedication within ten (10) years. The sign would encroach into the setback if a dedication occurred. If the plan was developed fully, the investment would be Four Point Five Million Dollars (\$4.5 Million). Development will not occur onsite near any protected area as identified in the EcoCat Report. ZPAC unanimously recommended approval of the proposal. The minutes of this meeting are included as Attachment 18.

KCRPC

The Kendall Regional Planning Commission initially reviewed this proposal at their meeting on April 24, 2019. Commissioners expressed concerns that the proposed site plan was too detailed and the Petitioner could be limiting their options if slight changes were required based on future development needs. Commissioners also expressed concerns regarding the Finnie Road right-of-way dedication requirement and the requirement that the Petitioner obtain Fox Township approval to cross Finnie Road. The Petitioner requested a layover of the request until a new site plan can be submitted. The minutes of the April 24, 2019 meeting are included as Attachment 21. At their meeting on May 22, 2019, the Commission seemed satisfied with the revised site plan with less detailed information and clarification that the Petitioner did not need Fox Township's approval for at-grade crossings. The Commission unanimously recommended approval of the proposal. The minutes of the meeting are included as Attachment 22.

ZBA

The Kendall County Zoning Board of Appeals started a public hearing on this request on April 29, 2019. The matter was continued until the Petitioner submitted a revised site plan. The minutes of the April 29th meeting pertaining to this request are included as Attachment 23. The Kendall County Zoning Board of Appeals resumed the public hearing on July 1, 2019. Fox Township offered to work with the Petitioner for an improved at-grade crossing of Finnie Road, including lights. Clarification was provided regarding timeframe to complete the project; the development will occur as funding allows over at least the next decade. The Board issued a positive recommendation of the request with the conditions proposed by Staff with a 5-0 vote; two (2) members of the Board were absent. The minutes of this hearing/meeting are included as Attachment 24.

RELATION TO EXISTING SPECIAL USE PERMIT

The use at the subject property was originally established in 1971. The subject property was zoned A-1 with a special use permit for a youth camp and retreat center following the 1974 Countywide rezoning.

The existing zoning regulations on the property were established by Ordinance 2014-05 which is included as Attachment 4. This ordinance repealed several pre-existing ordinances and combined the conditions and restrictions placed upon Dickson Valley Ministries into one (1) ordinance. The restrictions placed on the special use permit were:

1. The property can be utilized all year long.
2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
3. The number of over-night campers shall be limited to no more than 350 at any one time.
4. No more than 8 hook-ups for RV's.
5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

Ordinance 2014-05 also included a site plan, which the Petitioner wishes to clarify.

GENERAL INFORMATION

The Petitioner desires the update to their existing site plan in order to meet their needs. The long-range plan will take no less than ten (10) years and will occur as funding allows. This proposal is intended to add more clarity to the site plan submitted in 2014.

Dickson Valley Ministries has been operating a year-round youth camp and retreat center in Kendall County, Fox Township, for nearly 40 years.

In 1988, Dickson Valley served two thousand three hundred (2,300) people per year and, by 2014, had grown over three hundred percent (300%) to where it served seven thousand one hundred (7,100) people that year with retreats, summer resident camps, and day camps.

The current number of staff living onsite includes five (5) full-time long-term families. Also, two-three (2-3) full-time, short-term staff, and twenty-five (25) seasonal summer live onsite. Future ministry growth will increase staff to one (1) additional full-time long-term family, an additional twenty-five to thirty (25-30) full time short-term staff, and an additional forty (40) seasonal summer staff.

The original proposed site plan is included as Attachment 2. The revised site plan is included as Attachment 2A. Based on the revised site plan, the proposed changes are as follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).
3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house, various free standing decks for small group activities, at least two (2) open air camper pavilions, day camp specific activities, water activities (i.e. splash pad, or wading fountain), and combined septic field serving all new restrooms will also be located in this area. A picture of the Development A is included as Attachment 5.

5. Development B, Resident Camp Area, shall consist of five (5) year-round camper cabins; four (4) of which are new. A picture of Development B is included as Attachment 6.
6. Development C, Activity Area, shall consist of an outdoor high ropes course, mini-golf course, ice rink pavilion, free standing decks for small groups and one (1) year-round camper cabin. A picture of Development C is included as Attachment 7.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods, camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area. A picture of Development D is included as Attachment 8.
8. Development E, Entrance Drive, shall consist of a new gatehouse for a controlled entrance and a multi-bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated. A picture of Development E is included as Attachment 9.
9. Development F, Maintenance Area, shall consist of a new shop and removal or remodel of the old shop.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building. A picture of Development G is included as Attachment 10.
11. Development H, North Activity Area, shall consist of primitive non-public campsites, no permanent structures, and a parking area off of Finnie Road. Experiential activities similar to, but not limited to, climbing tower(s), zip line(s), team activities, a high ropes course, and a pedestrian walkway over/under/across Finnie Road are planned for this area.
12. The Retreat Development Zone shall consist of a water filtration building or addition to the existing well and well house. A new building for recreation room, snack shop, and host offices. Within this zone, several buildings will have additions and/or remodels.
13. Addition 1, Director's Lodge, shall consist of an addition to the north end of the building. The current structure is one hundred twenty-six feet (126') offset from the road. A picture of Addition 1 is included as Attachment 11.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west. A picture of Addition 2 is included as Attachment 12.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces, an addition of at least two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store. A picture of Addition 3 is included as Attachment 13.
16. Addition 4, Oulund Chalet, shall consist of remodeling to improve housing space and remodeling of restrooms. A picture of Addition 4 is included as Attachment 14.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition of added housing. A picture of Addition 5 is included as Attachment 15.
18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar. A picture of Addition 6 is included as Attachment 16.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing. A picture of Addition 7 is included as Attachment 17.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

BUILDING CODES

Any new buildings would have to meet applicable building codes.

ACCESS

The Petitioner owns property on both sides of Finnie Road.

LIGHTING

As noted on the proposed site plan, lighting will be intentionally left low.

SCREENING

The subject property is heavily wooded. As noted on the proposed site plan, the Petitioner considers the natural landscape important to their operations.

STORMWATER

Stormwater permits will be required in certain cases as the proposal is implemented.

UTILITIES

The Petitioner proposes to make adjustments to their wells and septic systems. These changes will be evaluated as the proposal is implemented. Electricity is already onsite.

FINDINGS OF FACT

§ 13.08.J of the Zoning Ordinance outlines findings that the Zoning Board of Appeals must make in order to grant a special use permit. Staff's proposed findings are in bold:

*That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. **The existing special use has been in existence since the 1970s with no known complaints to the Planning, Building and Zoning Department. Provided the site is developed as proposed, the proposed use of the site will not be detrimental or endanger the public health, safety, morals, comfort or general welfare.***

*That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. **The proposed use has been in existence at the subject property since the 1970s and no known issues exist which might cause injury to neighboring property owners or diminished property values.***

*That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. **Adequate utilities, access roads, points of ingress and egress, drainage, and other necessary facilities either exist on the site or are planned for in the proposed site plan.***

*That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. **The proposed special use permit amendment conforms to the applicable regulations of the A-1 Agricultural Zoning District.***

*That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. **This statement is true.***

RECOMMENDATION

Staff recommends approval of the proposed major amendment to an existing special use permit subject to the following conditions and restrictions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications

stated in the Site Plan attached to this Ordinance amending the existing special use permit.

2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan. **(Revised Site Plan-Attachment 2A)**
3. **Any overpass or underpass over or below the Finnie Road right-of-way shall be approved by Fox Township. This restriction shall not include at-grade crossings of Finnie Road. (Added per Fox Township)**
4. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use. **(Though not mentioned specifically, the Kendall County Stormwater Management Ordinance is one (1) of the local laws that must be followed; this should address Fox Township's concerns about stormwater regulations.)**
5. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
6. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.
7. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

The draft ordinance is included as Attachment 25.

NOTES

Note 1: State the true and exact corporate name as it appears on the records of the Secretary of State, BEFORE any amendment herein reported.

Note 2: Directors may adopt amendments without member approval only when the corporation has no members, or no members entitled to vote pursuant to §110.15

Note 3: Director approval may be (1) by vote at a director's meeting (*either annual or special*) or (2) by consent, in writing, without a meeting.

Note 4: All amendments not adopted under Sec. 110.15 require (1) that the board of directors adopt a resolution setting forth the proposed amendment and (2) that the members approve the amendment.

Member approval may be (1) by vote at a members meeting (*either annual or special*) or (2) by consent, in writing, without a meeting.

To be adopted, the amendment must receive the affirmative vote or consent of the holders of at least 2/3 of the outstanding members entitled to vote on the amendment, (*but if class voting applies, then also at least a 2/3 vote within each class is required*).

The articles of incorporation may supersede the 2/3 vote requirement by specifying any smaller or larger vote requirement not less than a majority of the outstanding votes of such members entitled to vote and not less than a majority within each when class voting applies. (*Sec. 110.20*)

Note 5: When member approval is by written consent, all members must be given notice of the proposed amendment at least 5 days before the consent is signed. If the amendment is adopted, members who have not signed the consent must be promptly notified of the passage of the amendment. (*Sec. 107.10 & 110.20*)

Note 6: The text of the restated articles of incorporation must set forth the following:

(i) The date of incorporation, the name under which the corporation was incorporated, subsequent names, if any, that the corporation adopted pursuant to amendment of its articles of incorporation, and the effective date of any such amendments;

(ii) the address of the registered office and the name of the registered agent on the date of filing the restated articles of incorporation.

If the registered agent and/or registered office have changed, it will be necessary to accompany this document with form NFP 105.10.

To: Kendall County Planning, Building & Zoning Committee
Yorkville, Illinois 60560

Petitioner: Dickson Valley Ministries, DBA Dickson Valley Camp & Retreat Center
8250 Finnie Rd. Newark, IL 60541-9573 630-553-6233

Dickson Valley Ministries would like to request the adoption of a new long-range site plan. Since the last version of the site plan, which was approved in 2014, there has been a request to have a more detailed plan on record. The purpose and ministry of Dickson Valley has not changed since its inception, and the maximum capacity and overall scale of the camp has not increased since 2014.

This new site plan is an attempt to be more detailed in location of needs, and has included a few additional structures that were not considered in the previous version. The facility needs for certain programs is an always evolving consideration so this plan has tried to include even ideas which may not be needed as we attempt to use our current facility in the wisest possible ways.

Dickson Valley Camp & Retreat Center has served churches, ministries and public and private schools for almost 40 years. In 1988 the number of groups using Dickson Valley was 75 with about 2,000 people in attendance. In 2018 we were excited to serve around 140 groups and had almost 400 kids attend one of our 10 weeks of summer camp. Just over 7,000 people attended various programs at the camp during all months of the year. We continually give thanks for all the blessings God has provided and, as with any business, know that our location is one of those key provisions we are blessed with. Our setting in Kendall County, along the Fox River, has been key to our growth which has far outpace most other Christian camps our size. It was a generous gift from Homer and Alice Dickson of Yorkville that made this ministry possible and the ongoing relationships with the family that have helped it grow.

OVERVIEW OF OPERATION:

Dickson Valley Camp & Retreat Center is a twelve month, 365 day a year ministry. We partner with churches, ministries and public and private schools to help them run youth retreats, summer camps, outdoor education and other programs that can benefit from being in a remote natural setting. Our own Dickson Valley run day and resident camps have grown over the past few years and have provided great new relationships with kids and families in Kendall County. All individuals who attend Dickson Valley are a part of a programmed event and we are always making sure that each program supports our ministry purpose. More details of the ministries are available at www.dicksonvalley.com

HISTORY OF OWNERSHIP:

In 1983 the original Special Use Zoning was setup with Christian Camping International, US Division. That not-for-profit corporation worked with Metro Chicago Youth For Christ to develop the early stages of the camp and start it on its ministry growth.

In 1988 those organizations transferred ownership to the newly formed not-for-profit Dickson Valley Corporation formed from members of both previous organizations.

In 2011 an update to Dickson Valley Corporations founding documents included the name change to Dickson Valley Ministries with the DBA of Dickson Valley Camp & Retreat Center

DEVELOPMENT PLANNING DESIGN CRITERIA:

The board and staff of Dickson Valley have sought many professionals in the Christian camping field for input. We have used various methods to determine the maximum capacity of our property both physically and mainly programmatically. The natural setting is one of our primary assets; we desire to care for, and protect it.

- Locations for future development has been defined into "Development Zones" with no significant development planned for outside these areas.
- Youth ministry needs are continually changing, and long-term planning is at best just setting the framework for what will be needed. This site plan incorporates all possible ideas that can be dreamed of; all projects may not need to be completed.
- Final locations, sizes, and designs will be approved at the time of permitting seeking the appropriate approvals from the Illinois Department of Public Health, the Sandwich Fire Protection District, and the Kendall County Planning Building and Zoning Department.
- The design of all new buildings and structures is to fit into the natural setting, limiting the impact and the need for any extra landscaping.
- Lighting around camp is intentionally left low to reduce the impact on observing the night features. Most additional light is provided by individuals and eliminates intrusion on any neighbors.

SCOPE OF NEW LONG RANGE PLANS:

- Dickson Valley Camp & Retreat Center is not changing its stated purpose or programs but is submitting a more detailed site plan in an attempt to document future needs more completely.
- This site plan represents a long-range plan, no less than 10 years, and will be driven by available funds from donors who give financially to the ministry. Dickson Valley does not enter into long term debt to develop its property.
- The ministry desires to retain conditions stated in the previous special use major amendment, Ordinance #2014-05 dated 3/31/2014
 1. The property can be utilized all year long.
 2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
 3. The number of over-night campers shall be limited to no more than 350 at any one time.
 4. No more than 8 hook-ups for RV's.
 5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.
- One note of clarification on the conditional statement that total capacity is 350 "over-night campers." This number is inclusive of as many as 100 day-only campers during the summer.
- Additionally, the live-on-site staff needed in supporting the ministry is composed of;
 - as many as 6 full time, long-term families (currently 5),
 - as many as 24 single short-term(12-month program) staff,
 - and 64 seasonal(summer) staff

RE: 2019 Long Range Plan
Project Number(s): 1908785
County: Kendall

Dear Applicant:

This letter is in reference to the project you recently submitted for consultation. The natural resource review provided by EcoCAT identified protected resources that may be in the vicinity of the proposed action. The Department has evaluated this information and concluded that adverse effects are unlikely. Therefore, consultation under 17 Ill. Adm. Code Part 1075 is terminated.

This consultation is valid for two years unless new information becomes available that was not previously considered; the proposed action is modified; or additional species, essential habitat, or Natural Areas are identified in the vicinity. If the project has not been implemented within two years of the date of this letter, or any of the above listed conditions develop, a new consultation is necessary.

The natural resource review reflects the information existing in the Illinois Natural Heritage Database at the time of the project submittal, and should not be regarded as a final statement on the site being considered, nor should it be a substitute for detailed site surveys or field surveys required for environmental assessments. If additional protected resources are encountered during the project's implementation, you must comply with the applicable statutes and regulations. Also, note that termination does not imply IDNR's authorization or endorsement of the proposed action.

Please contact me if you have questions regarding this review.

Please fill out the following findings of fact to the best of your capabilities. Findings of Fact 24
§13.08.J of the Zoning Ordinance outlines findings that the Hearing Officer shall consider in rendering a decision, but is not required to make an affirmative finding on all items in order to grant a **special use**. They are as follows:

That the establishment, maintenance, and operation of the special use will not be detrimental to, or endanger, the public health, safety, morals, comfort, or general welfare.

Dickson Valley Ministries is formed only for the purpose to benefit the community, and has proved to be a very safe and people focused organization

That the special use will not be substantially injurious to the use and enjoyment of other properties in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole.

Dickson Valley has had great relationships with all neighbors, never causing any negative situations and quit often benefiting neighbors with the use of the land and resources.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided.

Of the 160 acres of mostly wooded land, only about 25% has been developed, leaving a lot of great natural resources. The township road has been updated and has always proved adequate for our traffic and still is a seldom traveled road.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Hearing Officer.

Dickson Valley has had 30+ years in the county with no problems in following regulations.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies.

Dickson Valley has worked with many local agencies on resource management and other plans and continues to follow through and work within them.

- SCOPE OF DEVELOPMENT**
- Dickson Valley Camp & Retreat Center is not changing its stated purpose or programs but is submitting a more detailed site plan in an attempt to document future needs more completely.
 - This site plan represents a long-range plan, no less than 10 years, and will be driven by available funds from donors who give financially to the ministry. Dickson Valley does not enter into long term debt to develop its property.
 - The ministry desires to retain conditions stated in the previous special use major amendment, Ordinance #2014-05 dated 3/31/2014
 1. The property can be utilized all year long.
 2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
 3. The number of over-night campers shall be limited to no more than 350 at any one time.
 4. No more than 8 hook-ups for RV's.
 5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.
 - One note of clarification on the conditional statement that total capacity is 350 "over-night campers." This number is inclusive of as many as 100 day-only campers during the summer.
 - Additionally, the live-on-site staff needed in supporting the ministry is composed of;
 - as many as 6 full time, long-term families (currently 5),
 - as many as 24 single short-term(12-month program) staff,
 - and 64 seasonal(summer) staff

- DESIGN CRITERIA**
- The board and staff of Dickson Valley have sought many professionals in the Christian camping field for input. We have used various methods to determine the maximum capacity of our property both physically and mainly programmatically. The natural setting is one of our primary assets; we desire to care for, and protect it.
 - Locations for future development has been defined into "Development Zones" with no significant development planned for outside these areas.
 - Youth ministry needs are continually changing, and long-term planning is at best just setting the framework for what will be needed. This site plan incorporates all possible ideas that can be dreamed of; all projects may not need to be completed.
 - Final locations, sizes, and designs will be approved at the time of permitting seeking the appropriate approvals from the Illinois Department of Public Health, the Sandwich Fire Protection District, and the Kendall County Planning Building and Zoning Department.
 - The design of all new buildings and structures is to fit into the natural setting, limiting the impact and the need for any extra landscaping.
 - Lighting around camp is intentionally left low to reduce the impact on observing the night features. Most additional light is provided by individuals and eliminates intrusion on any neighbors.

- DEVELOPMENT ZONE A; DAY CAMP AREA**
- Multipurpose Field-house
 - No more than a total of 12,000 sq.Ft. under roof,
 - Capacity for meetings and activities up to 250 campers year-round,

DICKSON VALLEY LONG-RANGE SITE PLAN

This updated site plan has been produced to add more clarity to the site plan that was submitted in 2014.

This plan has all existing structures (in black), plus the additional projects (in red) needed to grow to an anticipated capacity of only 21%, or 1,500 people, above the 2014 usage of 7,100 people per year.

Only a few of these projects were not included in the 2014 overall plan, noted as [New] in this description.

CURRENT MINISTRY STATUS :

- Dickson Valley Ministries has been operating a year-round youth camp and retreat center in Kendall County, Fox township, for nearly 40 years.
- In 1988 Dickson Valley served 2,300 people per year and by 2014 had grown over 300% to where it served 7,100 people that year with retreats, summer resident camps and day camps.
- The current number of staff living on-site includes 5 full-time long-term families. Also 2-3 full-time short-term staff, and 25 seasonal summer staff.

SCOPE OF FUTURE DEVELOPMENT

- Dickson Valley Camp & Retreat Center is not changing its stated purpose or programs but is submitting a more detailed site plan in an attempt to document future needs for more clarity.
- This site plan represents a long-range plan of no less than 10 years, and will be driven by available funds from donors who give financially to the ministry. Dickson Valley does not enter into long term debt to develop its property.
- Future ministry growth will increase staff to 1 additional full-time long-term family, an additional 25-30 full time short-term staff, and an additional 40 seasonal summer staff.
- The ministry desires to retain conditions stated in the previous special use major amendment, Ordinance #2014-05 dated 3/31/2014, and ONLY add more clarity to the ordinance attached site plan.
 1. The property can be utilized all year long.
 2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
 3. The number of over-night campers shall be limited to no more than 350 at any one time.
 4. No more than 8 hook-ups for RV's.
 5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

DESIGN CRITERIA

- The board and staff of Dickson Valley have sought many professionals in the Christian camping field for input. We have used various methods to determine the maximum capacity of our property(21% above current usage) both physically and programmatically. The natural setting is one of our primary assets; we desire to care for, and protect it.
- Locations for future development has been defined into "Development Zones" with no significant development planned for outside these areas.
- Youth ministry needs are continually changing, and long-term planning is at best just setting the framework for what will be needed. This site plan incorporates all current foreseen needs; all projects may not need to be completed.
- Final locations, sizes, and designs will be approved at the time of permitting seeking the appropriate approvals from the Illinois Department of Public Health, Kendall County Public Health Department, the Sandwich Fire Protection District, and the Kendall County Planning Building and Zoning Department.
- The design of all new buildings and structures is to fit into the natural setting, limiting the impact and the need for any extra landscaping.
- Lighting around camp is intentionally left low to reduce the impact on observing night features. Most additional light is provided by individuals and eliminates intrusion on any neighbors.

PETITIONS

Petition 19-11 Mark Caldwell on Behalf of Dickson Valley Ministries – Major Amendment to a Special Use Permit by Repealing and Replacing Their Approved Site Plan at 8250 Finnie Road in Fox Township

Mr. Asselmeier summarized the request.

The subject property is approximately one hundred sixty (160) acres in size and has a special use permit for a youth camp and retreat center. The use at the subject property was originally established in 1971. The subject property was zoned A-1 with a special use permit for a youth camp and retreat center following the 1974 Countywide rezoning.

Ms. Andrews arrived at this time (9:03 a.m.).

The existing zoning regulations on the property were established by Ordinance 2014-05. This ordinance repealed several pre-existing ordinances and combined the conditions and restrictions placed upon Dickson Valley Ministries into one (1) ordinance. The restrictions placed on the special use permit were:

1. The property can be utilized all year long.
2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
3. The number of over-night campers shall be limited to no more than 350 at any one time.
4. No more than 8 hook-ups for RV's.
5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

Ordinance 2014-05 also included a site plan, which the Petitioner wishes to amend.

The Petitioner desires the update to their existing site plan in order to meet their needs. The long-range plan will take no less than ten (10) years and will occur as funding allows.

Mr. Guritz arrived at this time (9:05 a.m.)

The proposed changes are as follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).
3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house with no more than a total of twelve thousand square feet (12,000 sq. ft.) under roof. The capacity for meetings and activities for up to two hundred fifty (250) campers year-round with some sections for open air activities. The plan also calls for various freestanding decks for small groups or activities, two (2) open air camper pavilion areas with maximum capacity of fifty (50) people each at two thousand square feet (2,000 sq. ft.) in size. The area will also host day camp activities, including water activities (i.e. splash pad, or wading fountain). The fifty thousand square feet (50,000 sq. ft.) of combined septic field serving all new restrooms will also be located in this area. A picture of the Development A is included as Attachment 5.
5. Development B, Resident Camp Area, shall consist of four (4) year-round camper cabins of no more than two thousand five hundred square feet (2,500 sq. ft.) each for total house of twenty (20) persons per cabin. There will be one (1) additional summer staff cabin at two thousand square feet (2,000 sq. ft.). A picture of Development B is included as Attachment 6.
6. Development C, Activity Area shall consist of an outdoor high ropes course, by sky-tracks or similar, mini golf course, ice rink pavilion, free standing decks for small groups and one (1) summer staff cabin of no more than two thousand square feet (2,000 sq. ft.) A picture of Development C is included as Attachment 7.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods with seating up to three hundred fifty (350), camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area. A picture of Development D is included as Attachment 8.
8. Development E, Entrance Drive, shall consist of a gatehouse for a controlled entrance and a six (6) bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated. A picture of Development E is included as Attachment 9.
9. Development F, Maintenance Area, shall consist of a new shop not to exceed eight thousand square feet (8,000 sq. ft.) and removal of the old shop or remodel the old shop into storage.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building. A picture of Development G is included as Attachment 10.
11. Development H, North Activity Area, shall consist of primitive campsites, no permanent structures, a parking area off of Finnie Road, high climbing tower, zip lines, miscellaneous team activities and a pedestrian walkway over/under/across Finnie Road.
12. The Retreat Development Zone shall consist of a water filtration station, including possible new structures or addition to the existing well. A new building for recreation room, snack shop, and host offices are also planned for this zone.

13. Addition 1, Director's Lodge, shall consist of a fourteen foot by eighteen foot (14' x 18') dining room addition. The current structure is one hundred twenty-six feet (126') offset from the road and the addition may encroach no more than an additional three feet (3'). A picture of Addition 1 is included as Attachment 11.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west, which will increase seating from two hundred (200) to two hundred fifty (250). A lower level of addition could include offices or meeting space and the kitchen will be upgraded as needed. A picture of Addition 2 is included as Attachment 12.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces to accommodate eighty to one hundred (80-100) people, an addition of two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store. A picture of Addition 3 is included as Attachment 13.
16. Addition 4, Oulund Chalet, shall consist of remodeling of the upper level to improve housing space and remodeling of restrooms. A picture of Addition 4 is included as Attachment 14.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition for four (4) separate "leaders" rooms with restrooms. A picture of Addition 5 is included as Attachment 15.
18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar. A picture of Addition 6 is included as Attachment 16.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing and Additions to lodge for possible staff housing and extra space. A picture of Addition 7 is included as Attachment 17.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

The future land use map calls for this area to be agricultural, open space, and countryside residential. The adjacent zoning districts are A-1 and R-1. Zoning within one half (1/2) mile are A-1 and R-1.

Finnie Road is considered a scenic route and no trails are planned in the area.

There are floodplains and wetlands on the property. None of the proposed development is occurring in the floodplain or wetlands.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Dixon Valley Sedge Meadow INAI Site, Fox River INAI Site, Dickson Sedge Meadow Natural Heritage Landmark, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The Petitioner submitted an application for NRI.

Petition information was sent to Fox Township on March 26, 2019.

Petition information was sent to the Village of Millbrook on March 26, 2019.

Petition information was sent to the Sandwich Fire Protection District on March 26, 2019.

Any new buildings would have to meet applicable building codes.

As noted on the proposed site plan, lighting will be intentionally left low.

The subject property is heavily wooded. As noted on the proposed site plan, the Petitioner considers the natural landscape important to their operations.

Stormwater permits will be required as the proposal is implemented and will be reviewed on a project-by-project basis.

The Petitioner proposes to make adjustments to their wells and septic systems. These changes will be evaluated as the proposal is implemented. Electricity is already onsite.

Before issuing a recommendation, Staff would like consultation with ZPAC members, the Fox Township Highway Commissioner, and the Sandwich Fire Protection District regarding any concerns to the public health and safety they may possess.

Mr. Rybski asked if more employees will be added onsite. Mr. Caldwell stated the number of people onsite will not change from what was proposed in 2014. The projected increase in people onsite is forty percent (40%).

Mr. Caldwell stated that they (Dickson Valley Ministries) wanted to show everything on the site plan. The mission of the organization has not changed.

Mr. Klaas asked if any complaints had been filed regarding this property with Building and Zoning. Mr. Holdiman responded not to his knowledge.

Discussion occurred regarding a right-of-way dedication for Finnie Road. Mr. Caldwell requested clarification on how a dedication occurred. Mr. Klaas explained the process. Mr. Caldwell will take the request to his board at the end of April to discuss the dedication. The suggestion was made to have right-of-way dedication within ten (10) years. The sign would encroach into the setback if a dedication occurred.

If the plan was developed fully, the investment would be Four Point Five Million Dollars (\$4.5 Million).

Mr. Guritz discussed the EcoCat Report. Mr. Caldwell stated that the development will not occur near the protected areas.

Mr. Klaas made a motion, seconded by Mr. Rybski, to forward the major amendment to the Kendall County Regional Planning Commission with the following conditions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the proposed Site Plan. The site shall be developed substantially in conformance with the attached Site Plan.
3. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use.
4. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
5. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.
6. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

The motion passed. The proposal will go to the Kendall County Regional Planning Commission on April 24, 2019.

Petition 19-12 Robert Bright on Behalf of the Madison Trust and Castle Bank N A and JoAnn Bright-Theis – Special Use Permit for a Banquet Center at 10978 Crimmin Road in Fox Township

Mr. Asselmeier summarized the request.

JoAnn Bright-Theis would like to establish the BrighterDaze Farm and Events banquet facility at the subject property which is currently owned in a trust represented by her father, Robert Bright.

No variances were requested and the Petitioner will operate the banquet center in compliance with the regulations currently stated in the Zoning Ordinance.

The business plan for the proposed operations, building elevations, landscaping plan, parking illumination plan, and interior plan were provided.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The hours of operation will be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

The subject property is approximately thirty-eight acres (38) acres in size.

Crimmin Road is a major collector and scenic route. No trails are planned along the road.

A riverine wetland is located along the southwest edge of the subject property.

The adjacent land uses are agricultural related, farmsteads, religious, or forest preserve. The adjacent zonings are A-1. Based on the aerial of the site, there are six (6) homes within a half mile of the subject property.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Millington Fen INAI Site, Fox River INAI Site, Millington Railroad Fen Natural Landmark, Tucker-Millington Fen Natural Preserve, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The NRI application was submitted on March 14, 2019.

Fox Township was emailed information on March 27, 2019.

Newark Fire Protection District was emailed information on March 27, 2019.

The Village of Newark was emailed information on March 27, 2019.

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

Portable bathrooms will be used for events.

The property fronts Crimmin Road.

According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

As shown the on proposed site plan, the site contains approximately one hundred sixty-six trees of varying heights encircling the venue.

All music and noise shall originate inside the venue except for processions and recessions at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

Before issuing a recommendation, Staff would like the following issues addressed/clarified:

1. Input from the Kendall County Sheriff's Department and the Newark Fire Protection District regarding any concerns regarding having a facility at this location.
2. Input from the Kendall County Health Department regarding the septic and well facilities.
3. Input from WBK regarding the need for a stormwater management permit.
4. Acknowledgement from the Petitioners that they are aware and will follow Kendall County's Right to Farm Clause.
5. Acknowledgement from the Petitioners that they agree to follow all applicable Federal, State, and Local laws governing this type business and the implications for not following such laws.

Mr. Rybski asked about food preparation. All events will be catered.

Mr. Rybski asked about the number of events. Mr. Theis responded that they anticipate ten-twenty (10-20) events with fifty percent (50%) growth after that time. Mr. Rybski explained the well testing requirements. A site survey will be completed to define the location of the existing septic system.

Deputy Commander Hattan asked about traffic control. Mr. Theis explained the internal traffic control system. The Petitioner will contract with a company to direct traffic on and off Finnie Road.

No new structures will be constructed onsite. New lighting will be installed onsite as shown on the site plan.

Mr. Guritz will forward the Forest Preserve regulations related to equestrian use to the Petitioner. Horses will not be involved with proposed business. The equestrian business will continue at the property as a separate business.

Outside company will supply alcohol; no alcohol will be sold onsite.

Ms. Andrews requested clarification on the acreage of the property. Mr. Theis will provide clarification on the size of the property.

Noise will be controlled by existing landscaping and trees; music will initiate indoors and face east inside the venue. Business will close at 10:00 p.m.

Mr. Klaas discussed the planned the realignment of Crimmin Road.

Mr. Klaas made a motion, seconded by Mr. Holdiman, to forward the special use permit request to the Kendall County Regional Planning Commission with the following conditions proposed by Staff.

Ayes (8): Andrews, Asselmeier, Briganti, Hattan, Holdiman, Klaas, Rybski, and Prochaska

Petition 19-13 Kendall County Planning, Building and Zoning Committee – Text Amendment to Sections 4.06 and 4.07 of the Kendall County Zoning Ordinance by Allowing Research and Development Related Home Occupations to be Conducted Outside of a Dwelling or Permitted Accessory Structure and Adding the Phrase “Unless Otherwise Permitted by Law” to the End of Section 4.06.f and Section 4.07.g

Mr. Asselmeier summarized the request.

At their meeting February 27, 2019, the Comprehensive Land Plan and Ordinance Committee requested that Staff prepare a proposed text amendment to the Kendall County Zoning Ordinance allowing research and development related home occupations to be conducted outside the dwelling or accessory structure and to address noise, dust, fumes, and odor issues.

For reference, “Home Occupation” related terms are defined as follows:

HOME OCCUPATION Any occupation or profession engaged in by an occupant of a dwelling unit as a use which is clearly incidental and secondary to the use of the dwelling as a residence.

HOME OCCUPATION - AGRICULTURAL. A home occupation in an agricultural zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be "home occupation". (*Amended 04/18/2000*)

HOME OCCUPATION- RESIDENTIAL A home occupation in a residential zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be a "home occupation".

Home Occupations are permitted uses in the A-1 District and all Residential Districts. Home Occupations are special uses in the RPD Districts.

At their meeting on March 27, 2019, the Kendall County Regional Planning Commission voted to initiate the text amendment.

Mr. Rybski asked about home occupations that could be impacted by this proposal. Mr. Asselmeier suggested that individuals wanted to construct firearms and test those firearms outdoors would be impacted. Mr. Asselmeier also suggested a business creating telescopes could be impacted.

Mr. Asselmeier read the definition of research and development from the Zoning Ordinance.

County regulations cannot supersede federal or state regulations.

Mr. Rybski made a motion, seconded by Ms. Andrews, to forward the text amendment to the Kendall County Regional Planning Commission.

Subject: [External]Re: Kendall County Petition 19-11 (Dickson Valley Ministries)

Matt,

Please accept this email as comment on Petition 19-11. Fox Township Board of Trustees, acting as the Planning Commission for Fox Township, discussed this petition at our April Board meeting on April 8th, 2019. Here is a summary of our position:

- 1) Conceptually, the Board approves of the major amendment to the Special Use Permit at this location with the following stipulations.
 - a. The current property set back line is 126', which is already less than the mandated set back of 150'. Therefore, Fox Township Board **does not grant** relief from the current set back. Relief **may** be granted if the petitioner applies for variance through the standard variance process, including noticing adjoining property owners of any variance request prior to construction involving said variance.
 - b. Currently, the amendment states that storm water management "permits may be required as the proposal is implemented". It is the position of the Fox Township Board that any permits required for storm water management must be **procured prior** to the issuance of any building permit, ensuring proper storm water management is designed into any portion of the amendment developed.
 - c. Lastly, under item 12 on page 4 of the amendment, a possible pedestrian walkway over Finnie Road was proposed. Fox Township Board and Fox Township Highway Department reserve the right to approve or disapprove any design presented for an overhead walkway on Finnie Road.

If you need any other information or have any questions, I am available at any time to assist you in this issue. Thank you for giving us a platform for our input.

Matt,

After reviewing the Natural Resources Application for the Dickson Valley Ministries Special Use Petition, I wanted to provide a copy of the previously completed NRI Executive Summary Report. A review of the site, site conditions based on office resources along with the soils indicate that the information contained within the report is still accurate and current. The soils information utilized to develop the LESA score remains the same as it was in 2014 as the report was completed after the last update to the Kendall County Soil Survey by USDA. As such, I wanted to provide a copy of the previously completed report as a reference for this petition; the LESA score remains the same to date:

- Land Evaluation: 70
- Site Assessment: 103
- Full LESA Score: 173

If you have any questions or would like more information on any of the report items, please let me know.

Thanks,
Megan

Hydrologic Soil Groups: Soils have been classified into four (A, B, C, D) hydrologic groups based on runoff characteristics due to rainfall. If a soil is assigned to a dual hydrologic group (A/D, B/D or C/D), the first letter is for drained areas and the second letter is for undrained areas.

- ✓ **Hydrologic group A:** Soils have a high infiltration rate (low runoff potential) when thoroughly wet. These consist mainly of deep, well drained to excessively drained sands or gravelly sands. These soils have a high rate of water transmission.
- ✓ **Hydrologic group B:** Soils have a moderate infiltration rate when thoroughly wet, consist chiefly of moderately deep to deep, moderately well drained to well drained soils that have a moderately fine to moderately coarse texture. These soils have a moderate rate of water transmission.
- ✓ **Hydrologic group C:** Soils having a slow infiltration rate when thoroughly wet. These consist chiefly of soils having a layer that impedes the downward movement of water or soils of moderately fine texture or fine texture. These soils have a slow rate of water transmission.
- ✓ **Hydrologic group D:** Soils having a very slow infiltration rate (high runoff potential) when thoroughly wet. These consist chiefly of clays that have a high shrink-swell potential, soils that have a high water table, have a claypan or clay layer at or near the surface, and soils that are shallow over nearly impervious material. These soils have a very slow rate of water transmission.

Hydric Soils: A soil that formed under conditions of saturation, flooding, or ponding long enough during the growing season to develop anaerobic conditions in the upper part of the soil profile. Of the soils found onsite, three are classified as a hydric soil.

Prime Farmland: Prime farmland is land that has the best combination of physical and chemical characteristics for agricultural production. Prime farmland soils are an important resource to Kendall County and some of the most productive soils in the United States occur locally. Several of the soils found onsite are designated as prime or farmland of statewide importance.

Surface Runoff: Refers to the loss of water from an area by flow over the land surface. Surface runoff classes are based upon slope, climate and vegetative cover. Indicates relative runoff for very specific conditions (it is assumed that the surface of the soil is bare and that the retention of surface water resulting from irregularities in the ground surface is minimal).

Ponding: Ponding is standing water in a closed depression. Unless a drainage system is installed, the water is removed only by percolation, transpiration or evaporation. Duration is expressed as very brief (less than 2 days), brief (2 to 7 days), long (7 to 30 days), very long (more than 30 days). Frequency is expressed as none (ponding is not probable), rare (unlikely but possible under unusual weather conditions), occasional (occurs, on average, once or less in 2 years) and frequent (occurs, on average, more than once in 2 years).

Flooding: Temporary inundation of an area caused by overflowing streams, by runoff from adjacent slopes, or by tides. Water standing for short periods after rainfall or snowmelt is not considered flooding, and water standing in swamps and marshes is considered ponding rather than flooding. Duration expressed as brief is 2 to 7 days and a frequent frequency means that it is likely to occur often under normal weather conditions.

SOILS LIMITATIONS: Limitations for camp areas, small commercial building and conventional sewage disposal systems. Please note this information is based on information compiled as part of the USDA-NRCS 2007 Soil Survey of Kendall County, IL and does not replace site specific soil testing.

Septic Systems: The factors considered for determining suitability are the characteristics and qualities of the soil that affect the limitations for absorbing waste from domestic sewage disposal systems. The major features considered are soil permeability, percolation rate, groundwater level, depth to bedrock, flooding hazards, and slope. Soils are deemed unsuitable per the Kendall County Subdivision Control Ordinance. Installation of an on-site sewage disposal system in soils designated as unsuitable may necessitate the installation of a non-conventional onsite sewage disposal system. For more information please contact the Kendall County Health Department (811 W. John Street, Yorkville, IL; (630)553-9100 ext. 8026).

Kendall County Land Evaluation and Site Assessment (LESA):

Decision-makers in Kendall County use the Land Evaluation and Site Assessment (LESA) system to determine the suitability of a land use change and/or a zoning request as it relates to agricultural land. The LESA system was developed by the United States Department of Agriculture-Natural Resources Conservation Service (USDA-NRCS) and takes into consideration local conditions such as physical characteristics of the land, compatibility of surrounding land-uses, and urban growth factors. The LESA system is a two-step procedure that includes:

- **LAND EVALUATION (LE)** – The soils of a given area are rated and placed in groups ranging from the best to worst suited for a stated agriculture use, cropland or forestland. The best group is assigned a value of 100 and all other groups are assigned lower values. The Land Evaluation is based on data from the Kendall County Soil Survey. The Kendall County Soil and Water Conservation District is responsible for this portion of the LESA system.
- **SITE ASSESSMENT (SA)** – The site is numerically evaluated according to important factors that contribute to the quality of the site. Each factor selected is assigned values in accordance with the local needs and objectives. The Kendall County LESA Committee is responsible for this portion of the LESA system.

LESA SCORE	LEVEL OF PROTECTION
0-200	Low
201-225	Medium
226-250	High
251-300	Very High

The **LESA Score for this site is 173** which indicates a **low level of protection** for the proposed project site. Note: Selecting the project site with the lowest total points will generally protect the best farmland located in the most viable areas and maintain and promote the agricultural industry in Kendall County.

Wetlands: The U.S. Fish & Wildlife Service's National Wetland Inventory map **does indicate** the presence of a wetland. If a wetland is present, a wetland delineation specialist, who is recognized by the U.S. Army Corps of Engineers, should determine the exact boundaries and value of the wetlands.

Floodplain: The parcel is located within the floodplain.

Sediment and Erosion Control: Development on this site should include an erosion and sediment control plan in accordance with local, state and federal regulations. Soil erosion on construction sites is a resource concern because suspended sediment from areas undergoing development is a primary nonpoint source of water pollution. Please consult the *Illinois Urban Manual* (<http://aiswcd.org/IUM/>) for appropriate best management practices.

Project Site Map: c/o Dickson Valley Ministries

LAND USE OPINION:

The Kendall County Soil and Water Conservation District (SWCD) Board has reviewed the proposed development plans for Petitioner Dickson Valley Ministries for the proposed expansion of their Camp & Retreat Center. This parcel is located in the W½ of Section 17 in Fox Township (T.36N.-R.6E. of the 3rd Principal Meridian) in Kendall County. Based on the information provided by the petitioner and a review of natural resource related data available to the Kendall County SWCD, the SWCD Board has the following opinions and recommendations.

The Kendall County SWCD has always had the opinion that Prime Farmland should be preserved whenever feasible. A land evaluation, which is a part of the Land Evaluation and Site Assessment (LESA) was conducted on this parcel. The soils on this parcel scored a 70 out of a possible 100 points indicating the soils are not well suited for agricultural uses.

In addition, soils can have potential limitations for development. This report indicates that for soils located on the parcel: 81.4% of the soils are limited for conventional sewage disposal systems; 70.8% are very limited for small commercial building and 56.5% are very limited for camp areas. This information is based on the soil in an undisturbed state. Some soil reclamation, special design, or maintenance may be required to obtain suitable soil conditions to support these types of development. Please note that the original soil profile has been altered due to past development and in some areas where previous building/development has occurred. As a result, this site contains disturbed soils and the material found on site may not correspond to the soil type indicated within these areas within the Soil Survey of Kendall County. Additionally, since the scope of the project includes the use of onsite septic systems, please consult with the Kendall County Health Department.

This site is located within the Fox River Watershed.

This development should include a soil erosion sediment control plan to be implemented during construction. Sediment may become a primary non-point source of pollution. Eroded soils during the construction phase can create unsafe conditions on roadways, degrade water quality and destroy aquatic ecosystems lower in the watershed.

For intense use it is recommended that the drainage tile survey completed on the parcel to locate the subsurface drainage tile be taken into consideration during the land use planning process. Drainage tile expedites drainage and facilitates farming. It is imperative that these drainage tiles remain undisturbed. Impaired tile may affect a few acres or hundreds of acres of drainage.

The information that is included in this Natural Resources Information Report is to assure the Land Developers take into full consideration the limitations of that land that they wish to develop. Guidelines and recommendations are also a part of this report and should be considered in the planning process. The Natural Resource Information Report is required by the Illinois Soil and Water Conservation District Act (Ill. Compiled Statutes, Ch. 70, Par 405/22.02a).

REGIONAL PLANNING COMMISSION

Kendall County Office Building
Rooms 209 & 210
111 W. Fox Street, Yorkville, Illinois

Unapproved - Meeting Minutes of April 24, 2019 - 7:00 p.m.

Chairman Ashton called the meeting to order at 7:00 p.m.

ROLL CALL

Members Present: Bill Ashton, Roger Bledsoe, Tom Casey, Bill Davis, Larry Nelson, Ruben Rodriguez, Benjamin Schroeder, and Claire Wilson

Members Absent: John Shaw

Staff Present: Matthew H. Asselmeier, Senior Planner, and Ruth Ann Sikes, Part Time Office Assistant (Zoning)

In the Audience: Mark Caldwell, Todd Milliron, Ron Mund, and Chris Paluch

APPROVAL OF AGENDA

Member Wilson made a motion, seconded by Member Bledsoe to approve the agenda as amended with Petition 19-12 removed because neighboring property owners were not notified properly. With a voice vote of eight (8) ayes, the motion carried unanimously.

APPROVAL OF MINUTES

Member Nelson made a motion, seconded by Member Casey, to approve the minutes of the March 27, 2019, meeting. With a voice vote of eight (8) ayes, the motion carried unanimously.

PETITIONS

19-11 Mark Caldwell on Behalf of Dickson Valley Ministries

Mark Caldwell, on behalf of Dickson Valley Ministries, is requesting a major amendment to their special use permit to repeal the site plan adopted by Ordinance 2014-05 and replace the site plan with the proposed site plan. The Petitioner desires the amendment in order to have a long-range plan for their facilities.

The subject property is approximately one hundred sixty (160) acres in size and has a special use permit for a youth camp and retreat center. The use at the subject property was originally established in 1971. The subject property was zoned A-1 with a special use permit for a youth camp and retreat center following the 1974 Countywide rezoning.

The future land use map calls for this area to be agricultural, open space, and countryside residential. The adjacent zoning districts are A-1 and R-1. Zoning within one half (1/2) mile are A-1 and R-1.

Finnie Road is considered a scenic route and no trails are planned in the area.

There are floodplains and wetlands on the property. None of the proposed development is occurring in the floodplain or wetlands.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Dixon Valley Sedge Meadow INAI Site, Fox River INAI Site, Dickson Sedge Meadow Natural

Heritage Landmark, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The Petitioner submitted an application for NRI. The LESA Score was 173 indicating a low level of protection.

Petition information was sent to Fox Township on March 26, 2019. Fox Township submitted comments on April 16, 2019. The Township requested the following:

1. Any encroachment onto the Finnie Road right-of-way close than one hundred and twenty-six feet (126') be required to obtain a traditional variance.
2. Any permits required for storm water management must be procured prior to the issuance of any building permit.
3. Fox Township Board and the Fox Township Highway Department reserve the right to approve or disapprove any overhead walkway on Finnie Road.

The Petitioner agreed with Fox Township's requests. The Petitioner submitted a revised site plan deleting the three (3') foot encroachment in Addition 1.

Petition information was sent to the Village of Millbrook on March 26, 2019. No comments were received.

Petition information was sent to the Sandwich Fire Protection District on March 26, 2019. No comments were received.

ZPAC met on this proposal on April 2, 2019. The Petitioner stated that the project number of people onsite will not change from the 2014 projection which was an increase of forty percent (40%). Discussion occurred regarding a right-of-way dedication for Finnie Road. The suggestion was made to have right-of-way dedication within ten (10) years. The sign would encroach into the setback if a dedication occurred. If the plan was developed fully, the investment would be Four Point Five Million Dollars (\$4.5 Million). Development will not occur onsite near any protected area as identified in the EcoCat Report. ZPAC unanimously recommended approval of the proposal.

The existing zoning regulations on the property were established by Ordinance 2014-05. This ordinance repealed several pre-existing ordinances and combined the conditions and restrictions placed upon Dickson Valley Ministries into one (1) ordinance. The restrictions placed on the special use permit were:

1. The property can be utilized all year long.
2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
3. The number of over-night campers shall be limited to no more than 350 at any one time.
4. No more than 8 hook-ups for RV's.
5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

Ordinance 2014-05 also included a site plan, which the Petitioner wishes to amend.

The Petitioner desires the update to their existing site plan in order to meet their needs. The long-range plan will take no less than ten (10) years and will occur as funding allows.

The proposed changes are as follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).
3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house with no more than a total of twelve thousand square feet (12,000 sq. ft.) under roof. The capacity for meetings and activities for up to two hundred fifty (250) campers year-round with some sections for open air activities. The plan also calls for various freestanding decks for small groups or activities, two (2) open air camper pavilion areas with maximum capacity of fifty (50) people each at two thousand square feet (2,000 sq. ft.) in size. The area will also host day camp activities, including water activities (i.e. splash pad, or wading fountain). The fifty thousand square feet (50,000 sq. ft.) of combined septic field serving all new restrooms will also be located in this area.
5. Development B, Resident Camp Area, shall consist of four (4) year-round camper cabins of no more than two thousand five hundred square feet (2,500 sq. ft.) each for total housing of twenty (20) persons per cabin. There will be one (1) additional summer staff cabin at two thousand square feet (2,000 sq. ft.).
6. Development C, Activity Area shall consist of an outdoor high ropes course, by sky-tracks or similar, mini golf course, ice rink pavilion, free standing decks for small groups and one (1) summer staff cabin of no more than two thousand square feet (2,000 sq. ft.).
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods with seating up to three hundred fifty (350), camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area.
8. Development E, Entrance Drive, shall consist of a gatehouse for a controlled entrance and a six (6) bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated.
9. Development F, Maintenance Area, shall consist of a new shop not to exceed eight thousand square feet (8,000 sq. ft.) and removal of the old shop or remodel the old shop into storage.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building.
11. Development H, North Activity Area, shall consist of primitive campsites, no permanent structures, a parking area off of Finnie Road, high climbing tower, zip lines, miscellaneous team activities and a pedestrian walkway over/under/across Finnie Road.

12. The Retreat Development Zone shall consist of a water filtration station, including possible new structures or addition to the existing well. A new building for recreation room, snack shop, and host offices are also planned for this zone.
13. Addition 1, Director's Lodge, shall consist of a fourteen foot by eighteen foot (14' x 18') dining room addition. The current structure is one hundred twenty-six feet (126') offset from the road. The site plan shall be amended to delete the additional three foot (3') encroachment.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west, which will increase seating from two hundred (200) to two hundred fifty (250). A lower level of addition could include offices or meeting space and the kitchen will be upgraded as needed.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces to accommodate eighty to one hundred (80-100) people, an addition of two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store.
16. Addition 4, Oulund Chalet, shall consist of remodeling of the upper level to improve housing space and remodeling of restrooms.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition for four (4) separate "leaders" rooms with restrooms.
18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing and Additions to lodge for possible staff housing and extra space.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

Any new buildings would have to meet applicable building codes.

As noted on the proposed site plan, lighting will be intentionally left low.

The subject property is heavily wooded. As noted on the proposed site plan, the Petitioner considers the natural landscape important to their operations.

Stormwater permits will be required as the proposal is implemented and will be reviewed on a project-by-project basis.

The Petitioner proposes to make adjustments to their wells and septic systems. These changes will be evaluated as the proposal is implemented. Electricity is already onsite.

The proposed Findings of Fact were:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The existing special use has been in existence since the 1970s with no known complaints to the Planning, Building and Zoning Department. Provided the site is developed as proposed, the proposed use of the site will not be detrimental or endanger the public health, safety, morals, comfort or general welfare.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. The proposed use has been in existence at the subject property since the 1970s and no known issues exist which might cause injury to neighboring property owners or diminished property values.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. Adequate utilities, access roads, points of ingress and egress, drainage, and other necessary facilities either exist on the site or are planned for in the proposed site plan.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The proposed special use permit amendment conforms to the applicable regulations of the A-1 Agricultural Zoning District.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. This statement is true.

Staff recommends approval of the proposed major amendment to an existing special use permit subject to the following conditions and restrictions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan. In the event that a revised site plan is not submitted, the additional three foot (3') encroachment mentioned in Addition 1 shall be removed from the approved Site Plan. (Added per Fox Township).
3. When requested by either Fox Township or the Kendall County Highway Department, the Petitioner shall dedicate thirty-five feet (35') of right-of-way as measured from the centerline of Finnie Road for Finnie Road right-of-way. The sign shown on the attached Site Plan may remain at its current locations if the right-of-way dedication occurs.
4. Any crossings over, on, or below the Finnie Road right-of-way shall be approved by Fox Township (Added per Fox Township)
5. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use. (Though not mentioned specifically, the Kendall County Stormwater Management Ordinance is one (1) of the local laws that must be followed; this should address Fox Township's concerns about stormwater regulations.)
6. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the

special use permit.

7. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.
8. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

Member Wilson asked about housing for the additional employees and about adding more RV hookups. Mark Caldwell, Executive Director, answered that housing is already onsite and they have no desire to add more hookups.

Member Schroeder asked where is everyone placed at night. Mr. Caldwell answered there are new cabins and additions to the lodges. Member Schroeder asked if the buildings were sprinkled. Mr. Caldwell said no, but they have an alarm system that goes directly to KenCom and it takes the Sandwich Fire Department about ten (10) minutes to get to the site.

Member Rodriguez asked how long the campers stay at the property. Mr. Caldwell answered it was random, with churches from two (2) to six (6) nights. Resident camps are six (6) nights long and then the day camps come at 9:00 a.m. and leave at 4:00 p.m.

Member Wilson questioned the specific changes to the site plan. Mr. Caldwell said they don't want to have to deal with a zoning issue every time they want to add a building, so they want to amend the site plan now with everything that could possibly happen. Discussion occurred about the level of detail of the site plan.

Mr. Caldwell expressed concerns about the right of way dedication. Member Wilson expressed concerns about needing Fox Townships approval to cross the street.

Member Wilson made a motion, seconded by Member Nelson, that, per the Petitioner's request, this proposal be laid over until a revised site plan is submitted.

Ayes (8): Ashton, Bledsoe, Casey, Davis, Nelson, Rodriguez, Schroeder, and Wilson
 Nays (0): None
 Absent (1): Shaw

The motion carried. This proposal will go to the Kendall County Zoning Board of Appeals on April 29th with a request to continue the hearing. The proposal will return to Kendall County Regional Planning Commission after a revised site plan is submitted.

19-13 Kendall County Regional Planning Commission

Mr. Asselmeier summarized the request.

At their meeting February 27, 2019, the Comprehensive Land Plan and Ordinance Committee requested that Staff prepare a proposed text amendment to the Kendall County Zoning Ordinance allowing research and development related home occupations to be conducted outside the dwelling or accessory structure and to address noise, dust, fumes, and odor issues.

For reference, "Home Occupation" related terms are defined as follows:

HOME OCCUPATION Any occupation or profession engaged in by an occupant of a dwelling unit as a use which is clearly incidental and secondary to the use of the dwelling as a residence.

HOME OCCUPATION - AGRICULTURAL. A home occupation in an agricultural zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be "home occupation".

HOME OCCUPATION- RESIDENTIAL A home occupation in a residential zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be a "home occupation".

Home Occupations are permitted uses in the A-1 District and all Residential Districts. Home Occupations are special uses in the RPD Districts.

At their meeting on March 27, 2019, the Kendall County Regional Planning Commission voted to initiate the text amendment.

According to the Kendall County Zoning Ordinance, research and development is defined as follows:

RESEARCH AND DEVELOPMENT: A building or group of buildings in which are located facilities for scientific research, experimental study, investigation, testing and experimentation, but not primarily facilities for the manufacture or sale of products, except as incidental to the main purpose of the laboratory.

At their meeting on April 2, 2019, ZPAC unanimously voted to forward the proposal to the Kendall County Regional Planning Commission.

On April 2, 2019, a copy of this proposal was mailed to each township. On April 11, 2019, Fox Township submitted comments against the proposal. Fox Township felt the wording research and development was vague and open ended. It seemed to allow for many uses. Mr. Asselmeier stated that the definition of research and development was sent to Fox Township after they submitted comments and the Township has not responded.

Discussion occurred regarding the reasons why this proposal was created. Somebody applied for a gun manufacturer license and they wanted to test their gun outside on their property. Under the strict letter of the law, someone cannot do a research and development related business outdoors.

Todd Milliron, Yorkville, was at the Fox Township meeting and there was concern about the proposal being too broad and vague. Fox Township was concerned that research and development was occurring in an area it shouldn't occur.

Member Wilson wanted to know if this wording would allow someone to test other products in their yard for effectiveness. Member Nelson said outdoor testing is illegal currently, but this proposal would allow people to test products outdoors.

Ronald Mund questioned if he could do research and development in his house and go to a neighbor's house for testing. Chairman Ashton said no; someone cannot be outside the building and conduct testing.

Member Nelson made a motion, seconded by Member Davis, to move this proposal on to the Zoning Board of Appeals for a hearing.

Ayes (8): Ashton, Bledsoe, Casey, Davis, Nelson, Rodriguez, Schroeder, and Wilson

The motion passed. This proposal will go to the Zoning Board of Appeals on April 29th.

Consideration and Action to Amend or Withdraw Petition 19-09 Regarding a Request from Kendall County Regional Planning Commission Pertaining to a Text Amendment Making Sheriff's Office Shooting Ranges a Permitted Use in Oswego township.

Member Nelson made a motion, seconded by Member Casey, to withdraw Petition 19-09.

Member Nelson said that the States Attorney of Kendall County took the matter under advisement and rendered a decision that the site that was subject of initiating the text amendment was exempt from zoning because of federal pre-emptions.

Chris Paluch stated that the site on Route 71 was deemed to be a temporary site when it was opened in 1992. He favored opening the range in Lisbon Township.

Chairman Ashton gave an explanation of the proposal. The current Sheriff is working to get the range in Lisbon Township open in the near future.

Todd Milliron stated that the Route 71 Kendall County Sheriff's Department gun range was not zoned correctly and is not a permitted gun range. He believed the Sheriff's department is no different than anybody else and they needed to go through the normal permitting process. The Kendall County Sheriff's office wants two (2) gun ranges, one on Route 71 and one (1) in Lisbon Township. He would like to see the Kendall County Board make a decision and pass judgment on the Route 71 site. He did not believe the State's Attorney's opinion had been tested. He advocated that the County Board should vote no on this petition.

PETITIONS

19-11 Mark Caldwell on Behalf of Dickson Valley Ministries

Mr. Asselmeier provided updated information on Petition 19-11.

At the April 24, 2019, meeting of the Kendall County Regional Planning Commission, the Commission requested less detail on the Petitioner's site plan.

Mr. Asselmeier stated that the Petitioner desires this major amendment in order to have a long-range plan for their facilities and to provide more clarity to the site plan that was submitted in 2014.

The proposed changes are follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).

3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house, various free standing decks for small group activities, at least two (2) open air camper pavilions, day camp specific activities, water activities (i.e. splash pad, or wading fountain), and combined septic field serving all new restrooms will also be located in this area.
5. Development B, Resident Camp Area, shall consist of five (5) year-round camper cabins; four (4) of which are new.
6. Development C, Activity Area, shall consist of an outdoor high ropes course, mini-golf course, ice rink pavilion, free standing decks for small groups and one (1) year-round camper cabin.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods, camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area.
8. Development E, Entrance Drive, shall consist of a new gatehouse for a controlled entrance and a multi-bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated.
9. Development F, Maintenance Area, shall consist of a new shop and removal or remodel of the old shop.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building.
11. Development H, North Activity Area, shall consist of primitive non-public campsites, no permanent structures, and a parking area off of Finnie Road. Experiential activities similar to, but not limited to, climbing tower(s), zip line(s), team activities, a high ropes course, and a pedestrian walkway over/under/across Finnie Road are planned for this area.
12. The Retreat Development Zone shall consist of a water filtration building or addition to the existing well and well house. A new building for recreation room, snack shop, and host offices. Within this zone, several buildings will have additions and/or remodels.
13. Addition 1, Director's Lodge, shall consist of an addition to the north end of the building. The current structure is one hundred twenty-six feet (126') offset from the road.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces, an addition of at least two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store.
16. Addition 4, Oulund Chalet, shall consist of remodeling to improve housing space and remodeling of restrooms.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition of added housing.

18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

Also at the April meeting, the Commission was concerned about Fox Township's requests of the Petitioner. Fox Township clarified that they do not want a right-of-way dedication at this time, but they would like to be informed if a structure is constructed above or below Finnie Road.

The proposed conditions on the special use permit are as follows:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan.
3. Any overpass or underpass over or below the Finnie Road right-of-way shall be approved by Fox Township. This restriction shall not include at-grade crossings of Finnie Road.
4. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use.
5. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
6. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.

Member Nelson asked Mr. Caldwell if the new version was better. Mr. Caldwell replied they were comfortable with the changes and they would deal with any permitting issues when the new additions were constructed.

Member Nelson made a motion, seconded by Member Wilson, to recommend approval of the amended petition with the condition proposed by Staff.

Ayes (7): Ashton, Bledsoe, Casey, Davis, McCarthy-Lange Nelson, and Wilson
Nays (0): None
Absent (2): Rodriguez and Shaw

The motion passed. This proposal will go to the Zoning Board of Appeals on July 1st.

19-12 Robert Bright on Behalf of the Madison Trust and Castle Bank N A and JoAnn Bright-Theis
Mr. Asselmeier summarized the request.

JoAnn Bright-Theis would like to establish the Brighter Daze Farm and Events banquet facility at the subject property which is currently owned in a trust represented by her father, Robert Bright.

The subject property is approximately thirty-eight acres (38) acres in size.

Crimmin Road is a major collector and scenic route. No trails are planned along the road.

A riverine wetland is located along the southwest edge of the subject property.

The adjacent land uses are agricultural related, farmsteads, religious, or forest preserve. The adjacent zonings are A-1. Based on the aerial of the site, there are six (6) homes within a half mile of the subject property.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Millington Fen INAI Site, Fox River INAI Site, Millington Railroad Fen Natural Landmark, Tucker-Millington Fen Natural Preserve, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The NRI application was submitted on March 14, 2019. The LESA Score was 181 indicating a low level of protection.

Fox Township was emailed information on March 27, 2019. Fox Township submitted comments on April 16, 2019. In particular, Fox Township reiterated that the Township was a dry township; the Township disagreed with the functional classification of Crimmin Road contained in the Land Resource Management Plan; the Township requested a traffic study regarding the impact of the proposed venue on Crimmin Road, including the possibility of improvements to Crimmin Road necessitated by the proposed special use permit. On May 9, 2019, the Petitioner, Fox Township, and the Kendall County Planning, Building and Zoning Department held a conference call on the proposal. The Petitioner agreed to the dry regulations of the Township. The Township stated that they would not fight the functional classification of Crimmin Road in the Land Resource Management Plan. The Township stated that they (Fox Township) would request a traffic study from the Kendall County Highway Department. This study could result in a change of the speed limit on Crimmin Road to a speed less than the current fifty-five miles per hour (55 MPH), a requirement the Petitioners post additional one-way directional signage within their property, and the possibility that Fox Township adopt an ordinance forbidding parking along Crimmin Road. "Venue Ahead" signage along Crimmin Road was discussed. Also, the possible dedication of right-of-way was discussed.

Newark Fire Protection District was emailed information on March 27, 2019.

The Village of Newark was emailed information on March 27, 2019.

ZPAC reviewed this proposal at their meeting on April 2, 2019. The Health Department provided information about well monitoring. A site survey will be completed defining the location of the existing septic system. The equestrian business will continue at the property as a separate business. Discussion occurred regarding the planned the realignment of Crimmin Road. ZPAC recommended approval with all but (1) member voting yes. One (1) member voted present.

No variances were requested and the Petitioner will operate the banquet center in compliance with the regulations currently stated in the Zoning Ordinance.

The business plan for the proposed operations, building elevations, landscaping plan, parking illumination plan, and interior plan were provided.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The hours of operation will be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

Portable bathrooms will be used for events.

The property fronts Crimmin Road. According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

As shown the on proposed site plan, the site contains approximately one hundred sixty-six (166) trees of varying heights encircling the venue.

All music and noise shall originate inside the venue except for processional and recessional at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

Staff recommends approval of the requested special use permit subject to the following conditions and restrictions:

1. The site shall be developed substantially in accordance with the attached site plan, landscaping plan, and parking illumination plan.
2. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.
3. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
4. The subject parcel must maintain a minimum of five (5) acres.
5. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
6. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
7. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property. (Last sentence added after discussion with Fox Township).
8. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
9. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

10. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. Barn doors shall close by 7:00 p.m.
11. The hours of operation shall be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.
12. A new certificate of occupancy must be issued for the barn.
13. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way. (Added per Fox Township).
14. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
15. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.
16. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
17. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

Member Wilson asked where the closest houses are located in relation to the property. Mr. Asselmeier said there is one (1) directly across from the property and six (6) within a half (1/2) mile of the property. The operators of the facility live on site.

Member McCarthy-Lange asked if the neighbors had been notified. Mr. Asselmeier replied yes per State law.

Member Wilson asked where the lights would be located. Adam Theis replied they would be along the existing curb line just west of the parking lot. Mr. Theis said they have thirty-four (34) parking spots on site and seventy-five (75) additional spots on a remote lot and the parking plan meets the requirements of the Zoning Ordinance.

When asked about septic system for permanent toilets, Mr. Theis replied they would be doing a study within the next six (6) months to determine the actual design and location recommendations.

Mr. Theis said they do plan on having events on Sunday with the hours being the same as Saturday hours, with thirty (30) events a year. After discussion on the subject, the Petitioners agreed to have Sunday hours the same as Monday through Thursday hours, closing the facility at 10:00 p.m.

Jeff Spang, speaking as a resident of Fox Township, had the following questions, where do staff and vendors park and how would the Petitioners handle events with no air conditioning in the months of June, July and August. Mr. Spang stated that events are currently held on the property and these events are not private, but public events. Mr. Theis responded that vendors and staff park on the remote lot. There is no air conditioning,

but they will have fans and the temperature is cooler inside the building. They have had no public events and would like to know the dates that Mr. Spang was referencing.

Steven Graves and Kurt Buhle both voiced concerns about the added traffic getting to and from the venue because it is very dangerous stretch of road.

Jeff Spang, speaking as Fox Township Supervisor, reported that Fox Township has an investigation in process and would like for the Commission to lay this proposal over so they can complete their investigation. Member Nelson asked if the continuation of this would impact votes on the issue. Mr. Spang said the investigation could impact votes.

Member Wilson asked if Crimmin Road was a major collector road and Mr. Asselmeier replied yes according to the Land Resource Management Plan. Discussion occurred regarding how Crimmin Road was classified as a major collector road.

Jeanette Buhle expressed concerns about directional signage outside of venue especially at night.

The consensus of the Commission and without any objections from Commissioners, the Petitioner or anyone else in attendance, this proposal was laid over until the June meeting of the Kendall County Regional Planning Commission.

Petition 19-11 – Mark Caldwell on Behalf of Dickson Valley Ministries

Request: Major Amendment to a Special Use Permit Granted by Ordinance 2014-05
Permitting a Youth Camp and Retreat Center at Subject Property by
Amending the Approved Site Plan

PINs: 04-17-100-002, 04-17-300-002, and 04-17-300-007

Location: 8250 Finnie Road, Fox Township

Purpose: Petitioner Desire to Amend the Approved Site Plan; Property is Zoned A-1

Mr. Asselmeier stated the following:

On the April 29, 2019, Kendall County Zoning Board of Appeals agenda, there is a petition requesting a major amendment to a special use permit for Dickson Valley Ministries at 8250 Finnie Road.

At their meeting on April 24, 2019, several members of the Kendall County Regional Planning Commission expressed concerns that the proposed site plan was too specific and the Petitioner might be locking themselves into a site plan that could require amendments in the future because of specificity. Commissioners also expressed concerns about a possible right-of-way dedication for Finnie Road. The Petitioner requested that the proposal be laid over until a revised site plan is prepared.

Because the Petitioner properly notified neighbors and correctly published notice in the newspaper, the Petitioner is requested that the hearing be started and then continued until a revised site plan is submitted. If the hearing is continued, the Petitioner would not need to republish notice or resend notice to neighbors.

Chairman Mohr opened the public hearing at 7:06 p.m.

Member Clementi made a motion, second by Member LeCuyer, to continue the public hearing until a revised site plan is submitted.

The votes were as follows:

Ayes (5): Mohr, Clementi, Fox, LeCuyer, and Thompson
Nays (0): None
Absent (2): Cherry and Whitfield

The motion passed.

The hearing will be continued until a revised site plan is submitted.

The Zoning Board of Appeals completed their review of Petition 19-11 at 7:07 p.m.

Petition 19-11 – Mark Caldwell on Behalf of Dickson Valley Ministries

Request: Major Amendment to a Special Use Permit Granted by Ordinance 2014-05 Permitting a Youth Camp and Retreat Center at Subject Property by Amending the Approved Site Plan

PINs: 04-17-100-002, 04-17-300-002, and 04-17-300-007

Location: 8250 Finnie Road, Fox Township

Purpose: Petitioner Desire to Amend the Approved Site Plan; Property is Zoned A-1

Mr. Asselmeier summarized the request.

Mark Caldwell, on behalf of Dickson Valley Ministries, is requesting a major amendment to their special use permit to repeal the site plan adopted by Ordinance 2014-05 and replace the site plan with the proposed site plan. The Petitioner desires this major amendment in order to have a long-range plan for their facilities and to provide more clarity to the site plan that was submitted in 2014.

The subject property is approximately one hundred sixty (160) acres in size and has a special use permit for a youth camp and retreat center. The use at the subject property was originally established in 1971. The subject property was zoned A-1 with a special use permit for a youth camp and retreat center following the 1974 Countywide rezoning.

The future land use map calls for this area to be agricultural, open space, and countryside residential. The adjacent zoning districts are A-1 and R-1. Zoning within one half (1/2) mile are A-1 and R-1.

Finnie Road is considered a scenic route and no trails are planned in the area.

There are floodplains and wetlands on the property. None of the proposed development is occurring in the floodplain or wetlands.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Dixon Valley Sedge Meadow INAI Site, Fox River INAI Site, Dickson Sedge Meadow Natural Heritage Landmark, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The Petitioner submitted an application for NRI. The LESA Score was 173 indicating a low level of protection.

Petition information was sent to Fox Township on March 26, 2019. Fox Township submitted comments on April 16, 2019. The Township requested the following:

1. Any encroachment onto the Finnie Road right-of-way close than one hundred and twenty-six feet (126') be required to obtain a traditional variance.
2. Any permits required for storm water management must be procured prior to the issuance of any building permit.
3. Fox Township Board and the Fox Township Highway Department reserve the right to approve or disapprove any overhead walkway on Finnie Road.

The Petitioner agreed with Fox Township's requests. The Petitioner submitted a revised site plan deleting the three (3') foot encroachment in Addition 1.

Petition information was sent to the Village of Millbrook on March 26, 2019. No comments were received.

Petition information was sent to the Sandwich Fire Protection District on March 26, 2019. No comments were received.

The existing zoning regulations on the property were established by Ordinance 2014-05. This ordinance repealed several pre-existing ordinances and combined the conditions and restrictions placed upon Dickson Valley Ministries into one (1) ordinance. The restrictions placed on the special use permit were:

1. The property can be utilized all year long.
2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
3. The number of over-night campers shall be limited to no more than 350 at any one time.
4. No more than 8 hook-ups for RV's.
5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

Ordinance 2014-05 also included a site plan, which the Petitioner wishes to amend.

ZPAC met on this proposal on April 2, 2019. The Petitioner stated that the projected number of people onsite will not change from the 2014 projection which was an increase of forty percent (40%). Discussion occurred regarding a right-of-way dedication for Finnie Road. The suggestion was made to have right-of-way dedication within ten (10) years. The sign would encroach into the setback if a dedication occurred. If the plan was developed fully, the investment would be Four Point Five Million Dollars (\$4.5 Million). Development will not occur onsite near any protected area as identified in the EcoCat Report. ZPAC unanimously recommended approval of the proposal.

At the April 24, 2019, meeting of the Kendall County Regional Planning Commission, the Commission requested less detail on the Petitioner's site plan. At the May 22, 2019, meeting, the Petitioner submitted a site plan with several changes.

The proposed changes are follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).
3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house, various free standing decks for small group activities, at least two (2) open air camper pavilions, day camp specific activities, water activities (i.e. splash pad, or wading fountain), and combined septic field serving all new restrooms will also be located in this area.
5. Development B, Resident Camp Area, shall consist of five (5) year-round camper cabins; four (4) of which are new.
6. Development C, Activity Area, shall consist of an outdoor high ropes course, mini-golf course, ice rink pavilion, free standing decks for small groups and one (1) year-round camper cabin.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods, camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area.
8. Development E, Entrance Drive, shall consist of a new gatehouse for a controlled entrance and a multi-bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated.
9. Development F, Maintenance Area, shall consist of a new shop and removal or remodel of the old shop.

10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building.
11. Development H, North Activity Area, shall consist of primitive non-public campsites, no permanent structures, and a parking area off of Finnie Road. Experiential activities similar to, but not limited to, climbing tower(s), zip line(s), team activities, a high ropes course, and a pedestrian walkway over/under/across Finnie Road are planned for this area.
12. The Retreat Development Zone shall consist of a water filtration building or addition to the existing well and well house. A new building for recreation room, snack shop, and host offices. Within this zone, several buildings will have additions and/or remodels.
13. Addition 1, Director's Lodge, shall consist of an addition to the north end of the building. The current structure is one hundred twenty-six feet (126') offset from the road.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces, an addition of at least two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store.
16. Addition 4, Oulund Chalet, shall consist of remodeling to improve housing space and remodeling of restrooms.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition of added housing.
18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

Also at the April meeting, the Commission was concerned about Fox Township's requests of the Petitioner. Fox Township clarified that they do not want a right-of-way dedication at this time, but they would like to be informed if a structure is constructed above or below Finnie Road.

The Kendall County Regional Planning Commission recommended approval of the Petition with conditions with seven (7) members in favor and two (2) members absent.

Any new buildings would have to meet applicable building codes.

The Petitioner owns property on both sides of Finnie Road.

As noted on the proposed site plan, lighting will be intentionally left low.

The subject property is heavily wooded. As noted on the proposed site plan, the Petitioner considers the natural landscape important to their operations.

Stormwater permits will be required in certain cases as the proposal is implemented.

The Petitioner proposes to make adjustments to their wells and septic systems. These changes will be evaluated as the proposal is implemented. Electricity is already onsite.

The proposed findings of fact were as follows:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The existing special use has been in existence since the 1970s with no known complaints to the Planning, Building and Zoning Department. Provided the site is developed as proposed, the proposed use of the site will not be detrimental or endanger the public health, safety, morals, comfort or general welfare.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. The proposed use has been in existence at the subject property since the 1970s and no known issues exist which might cause injury to neighboring property owners or diminished property values.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. Adequate utilities, access roads, points of ingress and egress, drainage, and other necessary facilities either exist on the site or are planned for in the proposed site plan.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The proposed special use permit amendment conforms to the applicable regulations of the A-1 Agricultural Zoning District.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. This statement is true.

Staff recommends approval of the proposed major amendment to an existing special use permit subject to the following conditions and restrictions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan. (Revised Site Plan-Attachment 2A)

3. Any overpass or underpass over or below the Finnie Road right-of-way shall be approved by Fox Township. This restriction shall not include at-grade crossings of Finnie Road. (Added per Fox Township)
4. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use. (Though not mentioned specifically, the Kendall County Stormwater Management Ordinance is one (1) of the local laws that must be followed; this should address Fox Township's concerns about stormwater regulations.)
5. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
6. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.
7. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

Mark Caldwell, on behalf of Dickson Valley Ministries, stated that the main point is that the Petitioner is not changing the scope and scale of their mission, but this proposal adds more detail to their site plan. All development will occur as funds allow. The current need is to accommodate day campers.

Member Clementi asked about the ideal timeframe for full building out. Mr. Caldwell said this proposal will take at least ten (10) years. This process provided the Petitioner the opportunity to evaluate their use of the land.

Chairman Mohr asked about the crossing of Finnie Road. Mr. Caldwell said that Petitioner owns and uses land on both sides of Finnie Road. If a donor came along, an overpass could be something to explore. At this time, an at-grade crossing is fine. Fox Township placed hiker signs along Finnie Road.

Chairman Mohr asked about access for the Sandwich Fire Protection District and first responders. Mr. Caldwell responded that the Petitioner has provided tours to the Sandwich Fire Protection District. Moderate size vehicles can get through to the site. The State Health Department regulates them as well.

Chairman Mohr re-opened the public hearing at 7:23 p.m.

Jeff Spang asked Mr. Asselmeier about the crossing. Mr. Asselmeier responded that overpasses or underpasses require the approval of Fox Township, but at-grade crossings do not require Fox Township's approval. Mr. Spang suggested a crosswalk with lights. Chairman Mohr advised that an improved at-grade crossing with lights could be installed if the Township and Petitioner desired, but the Petitioner would not need Fox Township's approval for at-grade crossings.

Chairman Mohr adjourned the public hearing at 7:26 p.m.

Member Thompson made a motion, seconded by Member Fox, to approve the findings of fact as proposed by Staff.

The votes were as follows:

Ayes (5): Mohr, Cherry, Clementi, Fox, and Thompson

Nays (0): None

Absent (2): LeCuyer and Whitfield

The motion passed.

Member Clementi made a motion, seconded by Member Cherry, to recommend approval of the major amendment of a special use permit with the conditions proposed by Staff.

The votes were as follows:

Ayes (5): Mohr, Cherry, Clementi, Fox, and Thompson

Nays (0): None

Absent (2): LeCuyer and Whitfield

The motion passed. This matter will go to the Kendall County Planning, Building and Zoning Committee on July 8, 2019.

The Zoning Board of Appeals completed their review of Petition 19-11 at 7:27 p.m.

ADJOURNMENT OF THE ZONING BOARD OF APPEALS

Member Clementi made a motion, seconded by Chairman Mohr, to adjourn. With a voice vote of five (5) ayes, the motion passed unanimously. The Zoning Board of Appeals meeting adjourned at 8:56 p.m.

The next hearing/meeting will be on July 29, 2019.

*That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. **The proposed special use permit amendment conforms to the applicable regulations of the A-1 Agricultural Zoning District.***

*That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. **This statement is true.***

Recommendation

The Kendall County Zoning Board of Appeals recommends approval of the requested major amendment to an existing special use permit with the conditions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan. **(Revised Site Plan-Attachment 2A)**
3. Any overpass or underpass over or below the Finnie Road right-of-way shall be approved by Fox Township. This restriction shall not include at-grade crossings of Finnie Road.
4. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use.
5. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
6. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.

7. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

The Kendall County Zoning Board of Appeals issues this recommendation by a vote of five (5) in favor, zero (0) opposed, and two (2) absent.

DICKSON VALLEY LONG-RANGE SITE PLAN

REV. MAR 5, 2019

This updated site plan has been produced to add more clarity to the site plan that was submitted in 2014.

This plan has all existing structures (in black), plus the additional projects (in red) needed to grow to an anticipated capacity of only 21%, or 1,500 people, above the 2014 usage of 7,100 people per year.

Only a few of these projects were not included in the 2014 overall plan, noted as **[New]** in this description.

CURRENT MINISTRY STATUS :

- Dickson Valley Ministries has been operating a year-round youth camp and retreat center in Kendall County, Fox township, for nearly 40 years.
- In 1988 Dickson Valley served 2,300 people per year and by 2014 had grown over 300% to where it served 7,100 people that year with retreats, summer resident camps and day camps.
- The current number of staff living on-site includes 5 full-time long-term families. Also 2-3 full-time short-term staff, and 25 seasonal summer staff.

SCOPE OF FUTURE DEVELOPMENT

- Dickson Valley Camp & Retreat Center is not changing its stated purpose or programs but is submitting a more detailed site plan in an attempt to document future needs for more clarity.
- This site plan represents a long-range plan of no less than 10 years, and will be driven by available funds from donors who give financially to the ministry. Dickson Valley does not enter into long term debt to develop its property.
- Future ministry growth will increase staff to 1 additional full-time long-term family, an additional 25-30 full time short-term staff, and an additional 40 seasonal summer staff.
- The ministry desires to retain conditions stated in the previous special use major amendment, Ordinance #2014-05 dated 3/31/2014, and ONLY add more clarity to the ordinance attached site plan.
 1. The property can be utilized all year long.
 2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
 3. The number of over-night campers shall be limited to no more than 350 at any one time.
 4. No more than 8 hook-ups for RV's.
 5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

DESIGN CRITERIA

- The board and staff of Dickson Valley have sought many professionals in the Christian camping field for input. We have used various methods to determine the maximum capacity of our property(21% above current usage) both physically and programmatically. The natural setting is one of our primary assets; we desire to care for, and protect it.
- Locations for future development has been defined into "Development Zones" with no significant development planned for outside these areas.
- Youth ministry needs are continually changing, and long-term planning is at best just setting the framework for what will be needed. This site plan incorporates all current foreseen needs; all projects may not need to be completed.
- Final locations, sizes, and designs will be approved at the time of permitting seeking the appropriate approvals from the Illinois Department of Public Health, Kendall County Public Health Department, the Sandwich Fire Protection District, and the Kendall County Planning Building and Zoning Department.
- The design of all new buildings and structures is to fit into the natural setting, limiting the impact and the need for any extra landscaping.
- Lighting around camp is intentionally left low to reduce the impact on observing night features. Most additional light is provided by individuals and eliminates intrusion on any neighbors.

ACTION SUMMARY

FOX TOWNSHIP

Fox Township was emailed information on March 27, 2019. Fox Township submitted comments on April 16, 2019. The comments are included as Attachment 18. In particular, Fox Township reiterated that the Township was a dry township; the Township disagreed with the functional classification of Crimmin Road contained in the Land Resource Management Plan; the Township requested a traffic study regarding the impact of the proposed venue on Crimmin Road, including the possibility of improvements to Crimmin Road necessitated by the proposed special use permit. On May 9, 2019, the Petitioner, Fox Township, and the Kendall County Planning, Building and Zoning Department held a conference call on the proposal. The Petitioner agreed to the dry regulations of the Township. The Township stated that they would not fight the functional classification of Crimmin Road in the Land Resource Management Plan. The Township stated that they (Fox Township) would request a traffic study from the Kendall County Highway Department. This study could result in a change of the speed limit on Crimmin Road to a speed less than the current fifty-five miles per hour (55 MPH), a requirement the Petitioners post additional one-way directional signage within their property, and the possibility that Fox Township adopt an ordinance forbidding parking along Crimmin Road. "Venue Ahead" signage along Crimmin Road was discussed. Also, the possible dedication of right-of-way was discussed.

On June 14, 2019, Fox Township submitted updated comments which are included as Attachment 20. In particular, Fox Township requested:

1. No parking on Crimmin Road.
2. A right-of-way dedication of forty-five feet (45') as measured from the centerline of Crimmin Road for the entire length of the subject property.
3. No sound greater than sixty-five (65) dBA as measured from the property line of the complaint.
4. The special use permit should be contingent on a completed traffic study with the Petitioner paying for any necessary construction caused by increased traffic on Crimmin Road.
5. A maximum of thirty (30) events per year with an operating season between April 1st and November 1st.
6. Saturday only events with a conclusion of no later than 10:00 p.m.
7. The Township believes inadequate parking is planned for the proposal.
8. No selling or serving of alcohol per Fox Township's dry regulations.

The Township also requested that the advisory bodies consider public safety when making their recommendations.

NEWARK FIRE PROTECTION DISTRICT

Newark Fire Protection District was emailed information on March 27, 2019. To date, no comments have been received.

VILLAGE OF NEWARK

The Village of Newark was emailed information on March 27, 2019. To date, no comments have been received.

ZPAC

ZPAC reviewed this proposal at their meeting on April 2, 2019. The Health Department provided information about well monitoring. A site survey will be completed defining the location of the existing septic system. The equestrian business will continue at the property as a separate business. Discussion occurred regarding the planned the realignment of Crimmin Road. ZPAC recommended approval with all but (1) member voting yes. One (1) member voted present. The minutes of the meeting are included as Attachment 16.

KCRPC

The Kendall County Regional Planning Commission reviewed this proposal at their meeting on May 22, 2019. At this meeting, the Petitioners agreed to layover until the June meeting to allow Fox Township to complete their research on this request. The minutes of this meeting are included as Attachment 19. The Kendall County Regional Planning Commission reviewed the concerns expressed by Fox Township at their meeting on June 26, 2019. Commissioners felt that having the special use permit contingent on a traffic study and requiring the Petitioners to pay for improvements to Crimmin Road was unnecessary. Commissioners also agreed to allow events to be held on weekends instead of limiting events to Saturdays only. Discussion occurred regarding Fox Township's dry regulations and the consensus of the Commission was that Fox Township's dry regulations were not a zoning matter. Commissioners recommended approval of the special use permit with the removal of the requirement of the contingency of the traffic study and allowing events to occur on other days of the weekend including Saturdays, but only one (1) event could occur each weekend. The vote was five (5) in favor and four (4) absent. The minutes of this meeting are included as Attachment 21.

ZBA

The Kendall County Zoning Board of Appeals held a public hearing on this proposal on July 1, 2019. John Vogt express concerns about noise and safety on Crimmin Road. Kurt Buhle expressed concerns about security, enforcement of the regulations, property values, noise, traffic safety, and the potential that this proposal could open the door to other non-agricultural uses in the area. Jeff Spang, Fox Township Supervisor, expressed concerns about alcohol regulations, the use of the property for non-banquet related events, and traffic safety. By a vote of four (4) in favor and one (1) opposed, the Board issued a positive recommendation for the proposal subject to the conditions proposed by Staff with the following changes:

1. The last sentence of condition 10 was changed to read, "For events with music, all barn doors shall close by 7:00 p.m."
2. Condition 15, regarding the traffic study, should be deleted.
3. Condition 17 was changed to read, "The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws including, but not limited to, Fox Township's laws, related to the operation of this type of business."

The minutes of this meeting are included as Attachment 22.

GENERAL

The Petitioners intend to establish the BrighterDaze Farm and Events banquet facility run by JoAnn Bright-Theis at the subject property. A special use permit is required to operate a banquet facility at the subject property. Pictures of the property are included as Attachments 8-15.

This type of use is permitted as a special use on an A-1 property with certain conditions. Those conditions include:

- a. The facility shall have direct access to a road designated as an arterial roadway or major collector road as identified in the Land Resource Management Plan.
- b. The subject parcel must be a minimum of 5 acres.
- c. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
- d. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of

Section 11 of the zoning ordinance.

- e. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance.
- f. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
- g. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

The subject property and proposed business meets the above requirements.

BUSINESS OPERATION

The business plan for the proposed operations is included as Attachment 1, Pages 2-4. The site plan is included as Attachment 2. The building elevations are included as Attachment 3. The landscaping plan is included as Attachment 4. The parking illumination plan is included as Attachment 5. The interior plan is included as Attachment 6.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is a converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The original proposed hours of operation were Sunday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The Petitioners agreed to change the hours of operation to Fridays, Saturdays, Sundays, Mondays, and Federal and State Holidays occurring on Thursdays and Tuesdays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st. The number of events would be capped at one (1) per weekend and thirty (30) for the operating season.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

BUILDING CODES

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

ENVIRONMENTAL HEALTH

Portable bathrooms will be used for events. The Petitioners will be conducting a soil study to determine the appropriate location for a septic field.

ROAD ACCESS

The property fronts Crimmin Road. Fox Township expressed concerns regarding Crimmin Road which could be addressed through appropriate restrictions.

PARKING AND INTERNAL TRAFFIC CIRCULATION

According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

LIGHTING

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

SIGNAGE

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

LANDSCAPING

As shown on the proposed site plan, the site contains approximately one hundred sixty-six (166) trees of varying heights encircling the venue.

NOISE CONTROL

All music and noise shall originate inside the venue except for processions and recessions at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

PREVIOUS EVENTS

According to information provided to the County, the Petitioners did not charge for events held previously on the property prior to June 1, 2019. On June 3, 2019, the Petitioners contacted the County and stated that they had an event on June 1, 2019, and charged a rental fee for this event. The Petitioners believed that the special use permit would be approved prior to the June 1st date and did not want to cancel the event.

FINDINGS OF FACT

§ 13.08.J of the Zoning Ordinance outlines findings that the Zoning Board of Appeals must make in order recommend in favor of the applicant on special use permit applications. They are listed below in *italics*. Staff has provided findings in **bold** below based on the recommendation:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, or general welfare, provided that the site is developed in accordance with an approved site plan, landscaping plan, and lighting plan. Proper buffering and noise controls will be necessary to prevent noise from negatively impacting neighboring properties. The Kendall County Sheriff's Department has not submitted comments expressing concerns for public health and safety, based on the

information provided by the Petitioners. Member Clementi disagreed with this finding.

*That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. **The proposed use could be injurious to the enjoyment of other property in the immediate vicinity due to noise, light created from the proposed use, and increased traffic. Some of the negative impacts of the proposed use on properties in the immediate vicinity could be mitigated by restrictions related to hours and days of operation, and buffering within the ordinance granting the special use permit.*** Chairman Mohr and Member Clementi disagreed with this finding.

*That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. **True, the Petitioner's site plan addresses utilities, drainage, and points of ingress and egress.***

*That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. **The site conforms to the regulations of the A-1 Agricultural Zoning District.***

*That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. **True, the proposed use is consistent with an objective found on Page 3-6 of the Kendall County Land Resource Management Plan which states as an objective "Encourage Agriculture and Agribusiness."***

RECOMMENDATION

Staff recommends approval of the requested special use permit subject to the following conditions and restrictions:

1. The site shall be developed substantially in accordance with the attached site plan, landscaping plan, and parking illumination plan.
2. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.
3. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
4. The subject parcel must maintain a minimum of five (5) acres.
5. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
6. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
7. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. **The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property. (Last sentence added after discussion with Fox Township).**
8. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
9. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

10. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. **For events with music**, barn doors shall close by 7:00 p.m. **(Changed by ZBA).**
11. **Events shall be held on weekends only and shall conclude by 10:00 p.m. Only one (1) event per weekend may occur. For the purposes of this special use permit, weekends shall be Fridays, Saturdays, Sundays, Mondays, and any Federal or State Holiday falling on a Thursday or Tuesday.** Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. **The facility would close on November 1st and reopen April 1st. The number of events per year shall be capped at thirty (30). (Changed per Fox Township and KCRPC Meeting).**
12. A new certificate of occupancy must be issued for the barn.
13. **Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way. (Added per Fox Township).**
14. **No patron or other entity associated with the business allowed by this special use permit shall be allowed to park on Crimmin Road (Added per Fox Township).**
- ~~15. A traffic study shall be conducted by the Kendall County Highway Department. (Deleted by ZBA).~~
16. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
17. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws, **including, but not limited to, Fox Township's laws**, related to the operation of this type of business. **(Changed at ZBA).**
18. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
19. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

The draft ordinance is included as Attachment 23.

CONDITIONS

1. The term mortgage, when used herein, shall include deed of trust, trust deed, or other security instrument.
2. If the proposed Insured has or acquired actual knowledge of any defect, lien, encumbrance, adverse claim or other matter affecting the estate or interest or mortgage thereon covered by this Commitment other than those shown in Schedule B hereof, and shall fail to disclose such knowledge to the Company in writing, the Company shall be relieved from liability for any loss or damage resulting from any act of reliance hereon to the extent the Company is prejudiced by failure to so disclose such knowledge. If the proposed Insured shall disclose such knowledge to the Company, or if the Company otherwise acquires actual knowledge of any such defect, lien, encumbrance, adverse claim or other matter, the Company at its option may amend Schedule B of this Commitment accordingly, but such amendment shall not relieve the Company from liability previously incurred pursuant to paragraph 3 of these Conditions.
3. Liability of the Company under this Commitment shall be only to the named proposed Insured and such parties included under the definition of Insured in the form of policy or policies committed for and only for actual loss incurred in reliance hereon in undertaking in good faith (a) to comply with the requirements hereof, or (b) to eliminate exceptions shown in Schedule B, or (c) to acquire or create the estate or interest or mortgage thereon covered by this Commitment. In no event shall such liability exceed the amount stated in Schedule A for the policy or policies committed for and such liability is subject to the insuring provisions and Conditions and the Exclusions from Coverage of the form of policy or policies committed for in favor of the proposed Insured which are hereby incorporated by reference and are made a part of this Commitment except as expressly modified herein.
4. This Commitment is a contract to issue one or more title insurance policies and is not an abstract of title or a report of the condition of title. Any action or actions or rights of action that the proposed Insured may have or may bring against the Company arising out of the status of the title to the estate or interest or the status of the mortgage thereon covered by this Commitment must be based on and are subject to the provisions of this Commitment.
5. *The policy to be issued contains an arbitration clause. All arbitrable matters when the Amount of Insurance is \$2,000,000 or less shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. You may review a copy of the arbitration rules at <http://www.alta.org>.*

Disclaimer

The Illinois Natural Heritage Database cannot provide a conclusive statement on the presence, absence, or condition of natural resources in Illinois. This review reflects the information existing in the Database at the time of this inquiry, and should not be regarded as a final statement on the site being considered, nor should it be a substitute for detailed site surveys or field surveys required for environmental assessments. If additional protected resources are encountered during the project's implementation, compliance with applicable statutes and regulations is required.

Terms of Use

By using this website, you acknowledge that you have read and agree to these terms. These terms may be revised by IDNR as necessary. If you continue to use the EcoCAT application after we post changes to these terms, it will mean that you accept such changes. If at any time you do not accept the Terms of Use, you may not continue to use the website.

1. The IDNR EcoCAT website was developed so that units of local government, state agencies and the public could request information or begin natural resource consultations on-line for the Illinois Endangered Species Protection Act, Illinois Natural Areas Preservation Act, and Illinois Interagency Wetland Policy Act. EcoCAT uses databases, Geographic Information System mapping, and a set of programmed decision rules to determine if proposed actions are in the vicinity of protected natural resources. By indicating your agreement to the Terms of Use for this application, you warrant that you will not use this web site for any other purpose.

RE: BrighterDaze Farm & Events
Project Number(s): 1908293
County: Kendall

Dear Applicant:

This letter is in reference to the project you recently submitted for consultation. The natural resource review provided by EcoCAT identified protected resources that may be in the vicinity of the proposed action. The Department has evaluated this information and concluded that adverse effects are unlikely. Therefore, consultation under 17 Ill. Adm. Code Part 1075 is terminated.

This consultation is valid for two years unless new information becomes available that was not previously considered; the proposed action is modified; or additional species, essential habitat, or Natural Areas are identified in the vicinity. If the project has not been implemented within two years of the date of this letter, or any of the above listed conditions develop, a new consultation is necessary.

The natural resource review reflects the information existing in the Illinois Natural Heritage Database at the time of the project submittal, and should not be regarded as a final statement on the site being considered, nor should it be a substitute for detailed site surveys or field surveys required for environmental assessments. If additional protected resources are encountered during the project's implementation, you must comply with the applicable statutes and regulations. Also, note that termination does not imply IDNR's authorization or endorsement of the proposed action.

Please contact me if you have questions regarding this review.

Please fill out the following findings of fact to the best of your capabilities. §13.08.J of the Zoning Ordinance outlines findings that the Zoning Board of Appeals shall consider in rendering a decision, but is not required to make an affirmative finding on all items in order to grant a **special use**. They are as follows:

That the establishment, maintenance, and operation of the special use will not be detrimental to, or endanger, the public health, safety, morals, comfort, or general welfare.

BrighterDaze Farm & Events have hosted a cursory review with the Code Official for Kendall County Planning, Building & Zoning (Brian Holdiman), an architect (Sparks Architects) and structural engineer (Hinsdale Engineering) whom have raised no issues with public endangerment.

That the special use will not be substantially injurious to the use and enjoyment of other properties in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole.

BrighterDaze Farm & Events will abide by the results of the Special Use Permit effort. We feel strongly the venue will not impair property values due to the natural "buffers" afforded to the farm (mature trees, berms and spacious property). Customers will frequent local businesses such as hotels, restaurants, etc resulting in a stronger local economy.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided.

BrighterDaze Farm & Events utilizes a "one way" traffic pattern to quickly and safely flow patrons in and out of the property with minimum impact to local traffic. All facilities have been permitted and/or inspected by Kendall County within the past 15 years.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals

BrighterDaze Farm & Events will abide by the results of the Special Use Permit effort.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies.

BrighterDaze Farm & Events abides by all codes/regulations of the Land Resource Management Plan and other adopted County, Municipal plans and policies.

PETITIONS

Petition 19-11 Mark Caldwell on Behalf of Dickson Valley Ministries – Major Amendment to a Special Use Permit by Repealing and Replacing Their Approved Site Plan at 8250 Finnie Road in Fox Township

Mr. Asselmeier summarized the request.

The subject property is approximately one hundred sixty (160) acres in size and has a special use permit for a youth camp and retreat center. The use at the subject property was originally established in 1971. The subject property was zoned A-1 with a special use permit for a youth camp and retreat center following the 1974 Countywide rezoning.

Ms. Andrews arrived at this time (9:03 a.m.).

The existing zoning regulations on the property were established by Ordinance 2014-05. This ordinance repealed several pre-existing ordinances and combined the conditions and restrictions placed upon Dickson Valley Ministries into one (1) ordinance. The restrictions placed on the special use permit were:

1. The property can be utilized all year long.
2. At such time if the not-for-profit status is discontinued for any reason a new special use shall be applied for if the property is to be used for profit.
3. The number of over-night campers shall be limited to no more than 350 at any one time.
4. No more than 8 hook-ups for RV's.
5. The sign shall be in conformance with the standards of sign illumination as set forth in the Kendall County Zoning Ordinance and can be externally lit.

Ordinance 2014-05 also included a site plan, which the Petitioner wishes to amend.

The Petitioner desires the update to their existing site plan in order to meet their needs. The long-range plan will take no less than ten (10) years and will occur as funding allows.

Mr. Guritz arrived at this time (9:05 a.m.)

The proposed changes are as follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).
3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house with no more than a total of twelve thousand square feet (12,000 sq. ft.) under roof. The capacity for meetings and activities for up to two hundred fifty (250) campers year-round with some sections for open air activities. The plan also calls for various freestanding decks for small groups or activities, two (2) open air camper pavilion areas with maximum capacity of fifty (50) people each at two thousand square feet (2,000 sq. ft.) in size. The area will also host day camp activities, including water activities (i.e. splash pad, or wading fountain). The fifty thousand square feet (50,000 sq. ft.) of combined septic field serving all new restrooms will also be located in this area. A picture of the Development A is included as Attachment 5.
5. Development B, Resident Camp Area, shall consist of four (4) year-round camper cabins of no more than two thousand five hundred square feet (2,500 sq. ft.) each for total house of twenty (20) persons per cabin. There will be one (1) additional summer staff cabin at two thousand square feet (2,000 sq. ft.). A picture of Development B is included as Attachment 6.
6. Development C, Activity Area shall consist of an outdoor high ropes course, by sky-tracks or similar, mini golf course, ice rink pavilion, free standing decks for small groups and one (1) summer staff cabin of no more than two thousand square feet (2,000 sq. ft.) A picture of Development C is included as Attachment 7.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods with seating up to three hundred fifty (350), camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area. A picture of Development D is included as Attachment 8.
8. Development E, Entrance Drive, shall consist of a gatehouse for a controlled entrance and a six (6) bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated. A picture of Development E is included as Attachment 9.
9. Development F, Maintenance Area, shall consist of a new shop not to exceed eight thousand square feet (8,000 sq. ft.) and removal of the old shop or remodel the old shop into storage.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building. A picture of Development G is included as Attachment 10.
11. Development H, North Activity Area, shall consist of primitive campsites, no permanent structures, a parking area off of Finnie Road, high climbing tower, zip lines, miscellaneous team activities and a pedestrian walkway over/under/across Finnie Road.
12. The Retreat Development Zone shall consist of a water filtration station, including possible new structures or addition to the existing well. A new building for recreation room, snack shop, and host offices are also planned for this zone.

13. Addition 1, Director's Lodge, shall consist of a fourteen foot by eighteen foot (14' x 18') dining room addition. The current structure is one hundred twenty-six feet (126') offset from the road and the addition may encroach no more than an additional three feet (3'). A picture of Addition 1 is included as Attachment 11.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west, which will increase seating from two hundred (200) to two hundred fifty (250). A lower level of addition could include offices or meeting space and the kitchen will be upgraded as needed. A picture of Addition 2 is included as Attachment 12.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces to accommodate eighty to one hundred (80-100) people, an addition of two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store. A picture of Addition 3 is included as Attachment 13.
16. Addition 4, Oulund Chalet, shall consist of remodeling of the upper level to improve housing space and remodeling of restrooms. A picture of Addition 4 is included as Attachment 14.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition for four (4) separate "leaders" rooms with restrooms. A picture of Addition 5 is included as Attachment 15.
18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar. A picture of Addition 6 is included as Attachment 16.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing and Additions to lodge for possible staff housing and extra space. A picture of Addition 7 is included as Attachment 17.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

The future land use map calls for this area to be agricultural, open space, and countryside residential. The adjacent zoning districts are A-1 and R-1. Zoning within one half (1/2) mile are A-1 and R-1.

Finnie Road is considered a scenic route and no trails are planned in the area.

There are floodplains and wetlands on the property. None of the proposed development is occurring in the floodplain or wetlands.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Dixon Valley Sedge Meadow INAI Site, Fox River INAI Site, Dickson Sedge Meadow Natural Heritage Landmark, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The Petitioner submitted an application for NRI.

Petition information was sent to Fox Township on March 26, 2019.

Petition information was sent to the Village of Millbrook on March 26, 2019.

Petition information was sent to the Sandwich Fire Protection District on March 26, 2019.

Any new buildings would have to meet applicable building codes.

As noted on the proposed site plan, lighting will be intentionally left low.

The subject property is heavily wooded. As noted on the proposed site plan, the Petitioner considers the natural landscape important to their operations.

Stormwater permits will be required as the proposal is implemented and will be reviewed on a project-by-project basis.

The Petitioner proposes to make adjustments to their wells and septic systems. These changes will be evaluated as the proposal is implemented. Electricity is already onsite.

Before issuing a recommendation, Staff would like consultation with ZPAC members, the Fox Township Highway Commissioner, and the Sandwich Fire Protection District regarding any concerns to the public health and safety they may possess.

Mr. Rybski asked if more employees will be added onsite. Mr. Caldwell stated the number of people onsite will not change from what was proposed in 2014. The projected increase in people onsite is forty percent (40%).

Mr. Caldwell stated that they (Dickson Valley Ministries) wanted to show everything on the site plan. The mission of the organization has not changed.

Mr. Klaas asked if any complaints had been filed regarding this property with Building and Zoning. Mr. Holdiman responded not to his knowledge.

Discussion occurred regarding a right-of-way dedication for Finnie Road. Mr. Caldwell requested clarification on how a dedication occurred. Mr. Klaas explained the process. Mr. Caldwell will take the request to his board at the end of April to discuss the dedication. The suggestion was made to have right-of-way dedication within ten (10) years. The sign would encroach into the setback if a dedication occurred.

If the plan was developed fully, the investment would be Four Point Five Million Dollars (\$4.5 Million).

Mr. Guritz discussed the EcoCat Report. Mr. Caldwell stated that the development will not occur near the protected areas.

Mr. Klaas made a motion, seconded by Mr. Rybski, to forward the major amendment to the Kendall County Regional Planning Commission with the following conditions:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the proposed Site Plan. The site shall be developed substantially in conformance with the attached Site Plan.
3. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use.
4. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
5. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.
6. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this major amendment to an existing special use permit.

The motion passed. The proposal will go to the Kendall County Regional Planning Commission on April 24, 2019.

Petition 19-12 Robert Bright on Behalf of the Madison Trust and Castle Bank N A and JoAnn Bright-Theis – Special Use Permit for a Banquet Center at 10978 Crimmin Road in Fox Township

Mr. Asselmeier summarized the request.

JoAnn Bright-Theis would like to establish the BrighterDaze Farm and Events banquet facility at the subject property which is currently owned in a trust represented by her father, Robert Bright.

No variances were requested and the Petitioner will operate the banquet center in compliance with the regulations currently stated in the Zoning Ordinance.

The business plan for the proposed operations, building elevations, landscaping plan, parking illumination plan, and interior plan were provided.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The hours of operation will be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

The subject property is approximately thirty-eight acres (38) acres in size.

Crimmin Road is a major collector and scenic route. No trails are planned along the road.

A riverine wetland is located along the southwest edge of the subject property.

The adjacent land uses are agricultural related, farmsteads, religious, or forest preserve. The adjacent zonings are A-1. Based on the aerial of the site, there are six (6) homes within a half mile of the subject property.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Millington Fen INAI Site, Fox River INAI Site, Millington Railroad Fen Natural Landmark, Tucker-Millington Fen Natural Preserve, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The NRI application was submitted on March 14, 2019.

Fox Township was emailed information on March 27, 2019.

Newark Fire Protection District was emailed information on March 27, 2019.

The Village of Newark was emailed information on March 27, 2019.

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

Portable bathrooms will be used for events.

The property fronts Crimmin Road.

According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

As shown the on proposed site plan, the site contains approximately one hundred sixty-six trees of varying heights encircling the venue.

All music and noise shall originate inside the venue except for processions and recessions at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

Before issuing a recommendation, Staff would like the following issues addressed/clarified:

1. Input from the Kendall County Sheriff's Department and the Newark Fire Protection District regarding any concerns regarding having a facility at this location.
2. Input from the Kendall County Health Department regarding the septic and well facilities.
3. Input from WBK regarding the need for a stormwater management permit.
4. Acknowledgement from the Petitioners that they are aware and will follow Kendall County's Right to Farm Clause.
5. Acknowledgement from the Petitioners that they agree to follow all applicable Federal, State, and Local laws governing this type business and the implications for not following such laws.

Mr. Rybski asked about food preparation. All events will be catered.

Mr. Rybski asked about the number of events. Mr. Theis responded that they anticipate ten-twenty (10-20) events with fifty percent (50%) growth after that time. Mr. Rybski explained the well testing requirements. A site survey will be completed to define the location of the existing septic system.

Deputy Commander Hattan asked about traffic control. Mr. Theis explained the internal traffic control system. The Petitioner will contract with a company to direct traffic on and off Finnie Road.

No new structures will be constructed onsite. New lighting will be installed onsite as shown on the site plan.

Mr. Guritz will forward the Forest Preserve regulations related to equestrian use to the Petitioner. Horses will not be involved with proposed business. The equestrian business will continue at the property as a separate business.

Outside company will supply alcohol; no alcohol will be sold onsite.

Ms. Andrews requested clarification on the acreage of the property. Mr. Theis will provide clarification on the size of the property.

Noise will be controlled by existing landscaping and trees; music will initiate indoors and face east inside the venue. Business will close at 10:00 p.m.

Mr. Klaas discussed the planned the realignment of Crimmin Road.

Mr. Klaas made a motion, seconded by Mr. Holdiman, to forward the special use permit request to the Kendall County Regional Planning Commission with the following conditions proposed by Staff.

Petition 19-13 Kendall County Planning, Building and Zoning Committee – Text Amendment to Sections 4.06 and 4.07 of the Kendall County Zoning Ordinance by Allowing Research and Development Related Home Occupations to be Conducted Outside of a Dwelling or Permitted Accessory Structure and Adding the Phrase “Unless Otherwise Permitted by Law” to the End of Section 4.06.f and Section 4.07.g

Mr. Asselmeier summarized the request.

At their meeting February 27, 2019, the Comprehensive Land Plan and Ordinance Committee requested that Staff prepare a proposed text amendment to the Kendall County Zoning Ordinance allowing research and development related home occupations to be conducted outside the dwelling or accessory structure and to address noise, dust, fumes, and odor issues.

For reference, “Home Occupation” related terms are defined as follows:

HOME OCCUPATION Any occupation or profession engaged in by an occupant of a dwelling unit as a use which is clearly incidental and secondary to the use of the dwelling as a residence.

HOME OCCUPATION - AGRICULTURAL. A home occupation in an agricultural zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be "home occupation". (*Amended 04/18/2000*)

HOME OCCUPATION- RESIDENTIAL A home occupation in a residential zoning district. Tearooms, restaurants, eating and/or drinking establishments, animal hospitals or kennels, clinics, general retail and wholesale, stables, undertaking establishments and funeral parlors shall not be deemed to be a "home occupation".

Home Occupations are permitted uses in the A-1 District and all Residential Districts. Home Occupations are special uses in the RPD Districts.

At their meeting on March 27, 2019, the Kendall County Regional Planning Commission voted to initiate the text amendment.

Mr. Rybski asked about home occupations that could be impacted by this proposal. Mr. Asselmeier suggested that individuals wanted to construct firearms and test those firearms outdoors would be impacted. Mr. Asselmeier also suggested a business creating telescopes could be impacted.

Mr. Asselmeier read the definition of research and development from the Zoning Ordinance.

County regulations cannot supersede federal or state regulations.

Mr. Rybski made a motion, seconded by Ms. Andrews, to forward the text amendment to the Kendall County Regional Planning Commission.

Natural Resource Considerations

Soil Map:**SOIL INFORMATION:**

Based on information from the United States Department of Agriculture-Natural Resources Conservation Service (USDA-NRCS) 2008 Kendall County Soil Survey, this parcel is shown to contain the following soil types (please note this does not replace the need for or results of onsite soil testing; please refer to onsite soil test results for planning/engineering purposes):

Table 1:

Map Unit	Soil Name	Drainage Class	Hydrologic Group	Hydric Designation	Farmland Designation
134C2	Camden silt loam, 5-10% slopes, eroded	Well drained	B	Non-hydric	Statewide Importance
145A	Saybrook silt loam, 0-2% slopes	Moderately well drained	C	Non-hydric	Prime Farmland
145B	Saybrook silt loam, 2-5% slopes	Moderately well drained	C	Non-hydric	Prime Farmland
198A	Elburn silt loam, 0-2% slopes	Somewhat poorly drained	B/D	Non-hydric Hydric Inclusions likely	Prime Farmland
327B	Fox silt loam, 2-4% slopes	Well drained	B	Non-hydric	Prime Farmland
327C2	Fox silt loam, 4-6% slopes, eroded	Well drained	B	Non-hydric	Prime Farmland
820E	Hennepin-Casco complex, 12-30% slopes	Hennepin: Well drained Casco: Somewhat Excessively drained	Hennepin: C Casco: B	Non-hydric	Non-prime
3082A	Millington silt loam, 0-2% slopes, frequently flooded	Poorly drained	B/D	Hydric	Prime Farmland (if drained and protected from flooding or not frequently flooded during growing season)

Hydrologic Soil Groups: Soils have been classified into four (A, B, C, D) hydrologic groups based on runoff characteristics due to rainfall. If a soil is assigned to a dual hydrologic group (A/D, B/D or C/D), the first letter is for drained areas and the second letter is for undrained areas.

- ✓ **Hydrologic group A:** Soils have a high infiltration rate (low runoff potential) when thoroughly wet. These consist mainly of deep, well drained to excessively drained sands or gravelly sands. These soils have a high rate of water transmission.
- ✓ **Hydrologic group B:** Soils have a moderate infiltration rate when thoroughly wet, consist chiefly of moderately deep to deep, moderately well drained to well drained soils that have a moderately fine to moderately coarse texture. These soils have a moderate rate of water transmission.
- ✓ **Hydrologic group C:** Soils having a slow infiltration rate when thoroughly wet. These consist chiefly of soils having a layer that impedes the downward movement of water or soils of moderately fine texture or fine texture. These soils have a slow rate of water transmission.
- ✓ **Hydrologic group D:** Soils having a very slow infiltration rate (high runoff potential) when thoroughly wet. These consist chiefly of clays that have a high shrink-swell potential, soils that have a high water table, have a claypan or clay layer at or near the surface, and soils that are shallow over nearly impervious material. These soils have a very slow rate of water transmission.

Hydric Soils: A soil that formed under conditions of saturation, flooding, or ponding long enough during the growing season to develop anaerobic conditions in the upper part of the soil profile. Of the soils found onsite, 3082A Millington silt loam is identified as a hydric soil and, 198A Elburn silt loam is denoted as having the potential for hydric inclusions.

Prime Farmland: Prime farmland is land that has the best combination of physical and chemical characteristics for agricultural production. Prime farmland soils are an important resource to Kendall County and some of the most productive soils in the United States occur locally. Of the soils found onsite, six are designated as prime farmland one is classified as being of statewide importance.

Surface Runoff: Refers to the loss of water from an area by flow over the land surface. Surface runoff classes are based upon slope, climate and vegetative cover. Indicates relative runoff for very specific conditions (it is assumed that the surface of the soil is bare and that the retention of surface water resulting from irregularities in the ground surface is minimal).

Ponding: Ponding is standing water in a closed depression. Unless a drainage system is installed, the water is removed only by percolation, transpiration or evaporation. Duration is expressed as very brief (less than 2 days), brief (2 to 7 days), long (7 to 30 days), very long (more than 30 days). Frequency is expressed as none (ponding is not probable), rare (unlikely but possible under unusual weather conditions), occasional (occurs, on average, once or less in 2 years) and frequent (occurs, on average, more than once in 2 years).

Flooding: Temporary inundation of an area caused by overflowing streams, by runoff from adjacent slopes, or by tides. Water standing for short periods after rainfall or snowmelt is not considered flooding, and water standing in swamps and marshes is considered ponding rather than flooding. Duration expressed as brief is 2 to 7 days and a frequent frequency means that it is likely to occur often under normal weather conditions.

SOIL LIMITATIONS:

According to the USDA-NRCS, soil properties influence the development of building sites, including the selection of the site, the design of the structure, construction, performance after construction and maintenance. This report gives ratings for proposed uses in terms of limitations and restrictive features. The tables list only the most restrictive features. Ratings are based on the soil in an undisturbed state, that is, no unusual modification occurs other than that which is considered normal practice for the rated use. Even though soils may have limitations, an engineer may alter soil features or adjust building plans for a structure to compensate for most degrees of limitations. The final decision in selecting a site for a particular use generally involves weighing the costs for site preparation and maintenance.

- ✓ **Not Limited:** Indicates that the soil has features that are very favorable for the specified use; good performance and low maintenance can be expected.
- ✓ **Somewhat Limited:** Indicates that the soil has features that are moderately favorable for the specified use. The limitations can be overcome or minimized by special planning, design or installation; fair performance and moderate maintenance can be expected.
- ✓ **Very Limited:** Indicates that the soil has one or more features that are unfavorable for the specified use. The limitations generally cannot be overcome without major soil reclamation, special design, or expensive installation procedures; poor performance and high maintenance can be expected.

Conventional Septic System Rating Criteria:

The factors considered are the characteristics and qualities of the soil that affect the limitations for absorbing waste from domestic sewage disposal systems. Soils that are deemed unsuitable for installation of an on-site sewage disposal system per the Kendall County Subdivision Control Ordinance may necessitate the installation of a non-conventional onsite sewage disposal system. For more information please contact: Kendall County Health Department located at 811 W. John Street, Yorkville, IL; (630)553-9100 ext. 8026.

Limitations are listed below for dwellings with basements, dwellings without basements, small commercial building, shallow excavations, lawns/landscaping and onsite conventional sewage disposal systems. Please note this information is based on soils in an undisturbed state as compiled for the USDA-NRCS 2008 Soil Survey of Kendall County, IL and the Kendall County Subdivision Control Ordinance; this does not replace the need for site specific soil testing or results of onsite soil testing.

Kendall County Land Evaluation and Site Assessment (LESA):

Decision-makers in Kendall County use the Land Evaluation and Site Assessment (LESA) system to determine the suitability of a land use change and/or a zoning request as it relates to agricultural land. The LESA system was developed by the United States Department of Agriculture-Natural Resources Conservation Service (USDA-NRCS) and takes into consideration local conditions such as physical characteristics of the land, compatibility of surrounding land-uses, and urban growth factors. The LESA system is a two-step procedure that includes:

- **LAND EVALUATION (LE)** – The soils of a given area are rated and placed in groups ranging from the best to worst suited for a stated agriculture use, cropland or forestland. The best group is assigned a value of 100 and all other groups are assigned lower values. The Land Evaluation is based on data from the Kendall County Soil Survey. The Kendall County Soil and Water Conservation District is responsible for this portion of the LESA system.
- **SITE ASSESSMENT (SA)** – The site is numerically evaluated according to important factors that contribute to the quality of the site. Each factor selected is assigned values in accordance with the local needs and objectives. The Kendall County LESA Committee is responsible for this portion of the LESA system.

Table 4a: Land Evaluation Computation

Soil Type	Value Group	Relative Value	Acres	Product (Relative Value x Acres)
134C2	5	82	2.6	213.2
145A	2	94	0.4	37.6
145B	2	94	0.6	56.4

3082A	4	79	0.5	39.5
Totals			38.3	2988.9
LE Score		LE= 2988.9/38.3		LE = 78

The Land Evaluation score for this site is **78**, indicating that this site is not predominately prime farmland well suited for agricultural production.

Land Evaluation Value: 78 + Site Assessment Value: 103 = LESA Score: 181

LESA SCORE	LEVEL OF PROTECTION
0-200	Low
201-225	Medium
226-250	High
251-300	Very High

The **LESA Score for this site is 181 which indicates a low level of protection** for the proposed project site. Note: Selecting the project site with the lowest total points will generally protect the best farmland located in the most viable areas and maintain and promote the agricultural industry in Kendall County.

Wetlands: The U.S. Fish & Wildlife Service's National Wetland Inventory map **does not indicate** the potential presence of a wetland on the project site. If a wetland is present and will be impacted by the project, a wetland delineation specialist, who is recognized by the U.S. Army Corps of Engineers, should determine the exact boundaries and value of the wetlands.

Floodplain: The parcel is not located within the floodplain.

Sediment and Erosion Control: Development on this site should include an erosion and sediment control plan in accordance with local, state and federal regulations. Soil erosion on construction sites is a resource concern because suspended sediment from areas undergoing development is a primary nonpoint source of water pollution. Please consult the *Illinois Urban Manual* (<http://www.aiswcd.org/illinois-urban-manual/>) for appropriate best management practices.

LAND USE OPINION:

The Kendall County Soil and Water Conservation District (SWCD) Board has reviewed the proposed development plans for Petitioner Robert Bright at the request of their contact JoAnn Bright-Theis for the proposed A-1 Special Use petition project. This parcel is located in portions of Sections 29, 30, 31 & 32 in Fox Township (T.36N.-R.6E. of the 3rd Principal Meridian) in Kendall County. Based on the information provided by the petitioner and a review of natural resource related data available to the Kendall County SWCD, the SWCD Board has the following opinions and recommendations.

The Kendall County SWCD has always had the opinion that Prime Farmland should be preserved whenever feasible. A land evaluation, which is a part of the Land Evaluation and Site Assessment (LESA) was conducted on this parcel. The soils on this parcel scored an 78 out of a possible 100 points indicating the soils found on the project site are not predominately prime farmland well suited for agricultural production. The overall LESA Score for this site is 181 which indicates a low level of protection for the proposed project site. Prime farmland is land that has the best combination of physical and chemical characteristics for agricultural production and is an important resource to Kendall County; of the eight soil types identified onsite, six are designated as prime farmland, one is designated as farmland of statewide importance and one is not indicated as either. A hydric soil is one that formed under conditions of saturation, flooding, or ponding long enough during the growing season to develop anaerobic conditions in the upper part of the soil profile; one soil type found onsite, 3082A Millington silt loam is designated as a hydric soil and one soil type, 198A Elburn silt loam has the potential to have hydric inclusions.

For proposed land uses, soils can have potential limitations. This report indicates, if the following uses were to be included as part of future site development or expansion, that for soils located on the parcel, 83.3% are unsuitable for onsite conventional septic systems, 80.1% of the soils are very limited for shallow excavations, 78.8% are very limited for onsite conventional septic systems, 18.3% are very limited for dwellings with basements and shallow excavations, and 11% are very limited for dwellings without basements, small commercial building and lawns/landscaping. This information is based on the soil in an undisturbed state and does not replace the need for site specific soil testing. Some soil reclamation, special design, or maintenance may be required to obtain suitable soil conditions to support development with significant limitations. Additionally, since the scope of the project includes the use of onsite septic systems, please consult with the Kendall County Health Department.

This site is located within the Fox River Watershed and Clear Creek subwatershed.

This development should include a soil erosion sediment control plan to be implemented during construction. Sediment may become a primary non-point source of pollution. Eroded soils during the construction phase can create unsafe conditions on roadways, degrade water quality and destroy aquatic ecosystems lower in the watershed.

For intense project uses it may be necessary to have a drainage tile survey completed on the parcel to locate any subsurface drainage tile if suspected onsite. Drainage tile expedites drainage and facilitates farming. It is imperative that these drainage tiles remain undisturbed. Impaired tile may affect a few acres or hundreds of acres of drainage.

The information that is included in this Natural Resources Information Report is to assure the Land Developers take into full consideration the limitations of that land that they wish to develop. Guidelines and recommendations are also a part of this report and should be considered in the planning process. The Natural Resource Information Report is required by the Illinois Soil and Water Conservation District Act (Ill. Compiled Statutes, Ch. 70, Par 405/22.02a).

Subject: [External]Re: Kendall County Petition 19-12 (Brighter Daze Farm)

Matt,

Please accept this email as comment on Petition 19-12. Fox Township Board of Trustees, acting as the Planning Commission for Fox Township, discussed this petition at our April Board meeting on April 8th, 2019. Here is a summary of our position:

1) Conceptually, the Board approves of the idea of a Banquet Facility at this location with the following stipulations.

- a. Specifically, NO sales at retail of alcoholic beverages are permitted in Fox Township outside municipal corporate limits. We appreciate that the petitioner acknowledges and so states in the petition on page 4.
- b. Fox Township Board does not agree that Crimmins Road is a Major Collector Road. While it is listed in the LRMP as a Major Collector, its design and use is more accurately in line with a Minor Collector or Local road. It appears that Crimmins Road is misplaced in its category, especially when you compare Crimmins Road to the roads listed in the minor or local category. Additionally, the County Highway engineer, in a conversation with the Fox Township Road Commissioner has agreed with this assessment.
- c. While this issue would appear to be a point of contention for the approval of this petition, Fox Township Board feels that a Traffic Study which includes the addition of the event capacities stated in the petition, and the current design of the roadway could provide recommendations for improvements that would add to the safety of this use. The cost of the Traffic Study should be borne by the petitioner as this new special use is the initiating cause for this study. After the results are in, the cost associated for the necessary improvements can be discussed among the Petitioners, the Township Board, and County representatives.

If you need any other information or have any questions, I am available at any time to assist you in this issue. Thank you for giving us a platform for our input.

Chairman Ashton called the meeting to order at 7:00 p.m.

ROLL CALL

Members Present: Bill Ashton, Roger Bledsoe, Tom Casey, Bill Davis, Karin McCarthy-Lange, Larry Nelson, and Claire Wilson

Members Absent: Ruben Rodriguez and John Shaw

Staff Present: Matthew H. Asselmeier, Senior Planner, and Ruth Ann Sikes, Part Time Office Assistant (Zoning)

In the Audience: Mark Caldwell, Adam Theis, JoAnn Theis, Steve Graves, Jeff Spang, Kurt Buhle, Jeanette Buhle, and Matthew Prochaska

Chairman Ashton welcomed Karin McCarthy-Lange to the Commission representing Oswego Township.

APPROVAL OF AGENDA

Member Bledsoe made a motion, seconded by Member Nelson to approve the agenda. With a voice vote of seven (7) ayes, the motion carried unanimously.

APPROVAL OF MINUTES

Member Wilson made a motion, seconded by Member Casey, to approve the minutes of the April 24, 2019, meeting. With a voice vote of seven (7) ayes, the motion carried unanimously.

Ruth Ann Sikes, Part Time Office Assistant (Zoning) asked all audience members that were going to speak to please sign in and speak directly into the microphone so that everything could be recorded.

PETITIONS

19-11 Mark Caldwell on Behalf of Dickson Valley Ministries

Mr. Asselmeier provided updated information on Petition 19-11.

At the April 24, 2019, meeting of the Kendall County Regional Planning Commission, the Commission requested less detail on the Petitioner's site plan.

Mr. Asselmeier stated that the Petitioner desires this major amendment in order to have a long-range plan for their facilities and to provide more clarity to the site plan that was submitted in 2014.

The proposed changes are follows:

1. Clarification on the conditional statement that total capacity is three hundred fifty (350) "overnight campers." This number is inclusive of as many as one hundred (100) day-only campers during the summer.
2. Clarification that the live-on-site staff needed in supporting the ministry is composed of as many as six (6) full-time, long-term families; currently this figure is five (5).

3. Clarification of staffing levels at twenty-four (24) single short-term, twelve (12) month program staff, and sixty-four (64) seasonal summer staff.
4. Development A, Day Camp Area, shall consist of a Multipurpose Field-house, various free standing decks for small group activities, at least two (2) open air camper pavilions, day camp specific activities, water activities (i.e. splash pad, or wading fountain), and combined septic field serving all new restrooms will also be located in this area.
5. Development B, Resident Camp Area, shall consist of five (5) year-round camper cabins; four (4) of which are new.
6. Development C, Activity Area, shall consist of an outdoor high ropes course, mini-golf course, ice rink pavilion, free standing decks for small groups and one (1) year-round camper cabin.
7. Development D, Entrance Parking, shall consist of welcome pavilions for day camp, a chapel in the woods, camper check-in area, and volunteer RV hook-ups. The Petitioner is also considering placing a freestanding office structure in this area.
8. Development E, Entrance Drive, shall consist of a new gatehouse for a controlled entrance and a multi-bay staff lodge garage near the Whitaker Lodge just outside the zone. Upgrades to the driveway and entrance will occur and the lighted sign will remain. Landscaping will be updated.
9. Development F, Maintenance Area, shall consist of a new shop and removal or remodel of the old shop.
10. Development G, Acorn Lodge Area, shall consist of a separate activities pavilion and separate program/meeting building.
11. Development H, North Activity Area, shall consist of primitive non-public campsites, no permanent structures, and a parking area off of Finnie Road. Experiential activities similar to, but not limited to, climbing tower(s), zip line(s), team activities, a high ropes course, and a pedestrian walkway over/under/across Finnie Road are planned for this area.
12. The Retreat Development Zone shall consist of a water filtration building or addition to the existing well and well house. A new building for recreation room, snack shop, and host offices. Within this zone, several buildings will have additions and/or remodels.
13. Addition 1, Director's Lodge, shall consist of an addition to the north end of the building. The current structure is one hundred twenty-six feet (126') offset from the road.
14. Addition 2, Chrouser Lodge, shall consist of an addition for dining space to the north or west.
15. Addition 3, Dickson Lodge, shall consist of additional meeting spaces, an addition of at least two (2) separate "leaders" rooms with restrooms, and remodel and add-on to program office for camp store.
16. Addition 4, Oulund Chalet, shall consist of remodeling to improve housing space and remodeling of restrooms.
17. Addition 5, Silver Fox Lodge, shall consist of an addition for new restrooms and an addition of added housing.

18. Addition 6, Sports Center, shall consist of a south addition for upgraded activities, remodels to restrooms, and development of an exterior high ropes courses or similar.
19. Addition 7, Acorn Lodge, shall consist of a remodel of the current lodge for updated plumbing and housing.

As noted on the proposed site plan, the final locations, sizes, and designs will be approved at the time of permitting and with the approvals of local regulatory bodies.

Also at the April meeting, the Commission was concerned about Fox Township's requests of the Petitioner. Fox Township clarified that they do not want a right-of-way dedication at this time, but they would like to be informed if a structure is constructed above or below Finnie Road.

The proposed conditions on the special use permit are as follows:

1. The conditions and restrictions of Ordinance 2014-05 shall remain in effect including the clarifications stated in the Site Plan attached to this Ordinance amending the existing special use permit.
2. The Site Plan attached as Exhibit A to Ordinance 2014-05 is hereby repealed and replaced with the attached Site Plan. The site shall be developed substantially in conformance with the attached Site Plan.
3. Any overpass or underpass over or below the Finnie Road right-of-way shall be approved by Fox Township. This restriction shall not include at-grade crossings of Finnie Road.
4. The operators of the use allowed by this special use permit shall follow applicable Federal, State, and Local laws related to the operation of this type of use.
5. Failure to comply with one or more of the above conditions or restrictions or the conditions and restrictions contained in Ordinance 2014-05 could result in the amendment or revocation of the special use permit.
6. If one or more of the above conditions or restrictions or any of the conditions or restrictions contained in Ordinance 2014-05 are declared invalid by a court of competent jurisdiction, the remaining conditions and restrictions shall remain valid.

Member Nelson asked Mr. Caldwell if the new version was better. Mr. Caldwell replied they were comfortable with the changes and they would deal with any permitting issues when the new additions were constructed.

Member Nelson made a motion, seconded by Member Wilson, to recommend approval of the amended petition with the condition proposed by Staff.

Ayes (7): Ashton, Bledsoe, Casey, Davis, McCarthy-Lange Nelson, and Wilson
Nays (0): None
Absent (2): Rodriguez and Shaw

The motion passed. This proposal will go to the Zoning Board of Appeals on July 1st.

19-12 Robert Bright on Behalf of the Madison Trust and Castle Bank N A and JoAnn Bright-Theis
Mr. Asselmeier summarized the request.

JoAnn Bright-Theis would like to establish the Brighter Daze Farm and Events banquet facility at the subject property which is currently owned in a trust represented by her father, Robert Bright.

The subject property is approximately thirty-eight acres (38) acres in size.

Crimmin Road is a major collector and scenic route. No trails are planned along the road.

A riverine wetland is located along the southwest edge of the subject property.

The adjacent land uses are agricultural related, farmsteads, religious, or forest preserve. The adjacent zonings are A-1. Based on the aerial of the site, there are six (6) homes within a half mile of the subject property.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Millington Fen INAI Site, Fox River INAI Site, Millington Railroad Fen Natural Landmark, Tucker-Millington Fen Natural Preserve, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The NRI application was submitted on March 14, 2019. The LESA Score was 181 indicating a low level of protection.

Fox Township was emailed information on March 27, 2019. Fox Township submitted comments on April 16, 2019. In particular, Fox Township reiterated that the Township was a dry township; the Township disagreed with the functional classification of Crimmin Road contained in the Land Resource Management Plan; the Township requested a traffic study regarding the impact of the proposed venue on Crimmin Road, including the possibility of improvements to Crimmin Road necessitated by the proposed special use permit. On May 9, 2019, the Petitioner, Fox Township, and the Kendall County Planning, Building and Zoning Department held a conference call on the proposal. The Petitioner agreed to the dry regulations of the Township. The Township stated that they would not fight the functional classification of Crimmin Road in the Land Resource Management Plan. The Township stated that they (Fox Township) would request a traffic study from the Kendall County Highway Department. This study could result in a change of the speed limit on Crimmin Road to a speed less than the current fifty-five miles per hour (55 MPH), a requirement the Petitioners post additional one-way directional signage within their property, and the possibility that Fox Township adopt an ordinance forbidding parking along Crimmin Road. "Venue Ahead" signage along Crimmin Road was discussed. Also, the possible dedication of right-of-way was discussed.

Newark Fire Protection District was emailed information on March 27, 2019.

The Village of Newark was emailed information on March 27, 2019.

ZPAC reviewed this proposal at their meeting on April 2, 2019. The Health Department provided information about well monitoring. A site survey will be completed defining the location of the existing septic system. The equestrian business will continue at the property as a separate business. Discussion occurred regarding the planned the realignment of Crimmin Road. ZPAC recommended approval with all but (1) member voting yes. One (1) member voted present.

No variances were requested and the Petitioner will operate the banquet center in compliance with the regulations currently stated in the Zoning Ordinance.

The business plan for the proposed operations, building elevations, landscaping plan, parking illumination plan, and interior plan were provided.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The hours of operation will be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

Portable bathrooms will be used for events.

The property fronts Crimmin Road. According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

As shown the on proposed site plan, the site contains approximately one hundred sixty-six (166) trees of varying heights encircling the venue.

All music and noise shall originate inside the venue except for processional and recessional at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

Staff recommends approval of the requested special use permit subject to the following conditions and restrictions:

1. The site shall be developed substantially in accordance with the attached site plan, landscaping plan, and parking illumination plan.
2. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.
3. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
4. The subject parcel must maintain a minimum of five (5) acres.
5. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
6. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
7. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property. (Last sentence added after discussion with Fox Township).
8. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
9. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

10. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. Barn doors shall close by 7:00 p.m.
11. The hours of operation shall be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.
12. A new certificate of occupancy must be issued for the barn.
13. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way. (Added per Fox Township).
14. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
15. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.
16. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
17. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

Member Wilson asked where the closest houses are located in relation to the property. Mr. Asselmeier said there is one (1) directly across from the property and six (6) within a half (1/2) mile of the property. The operators of the facility live on site.

Member McCarthy-Lange asked if the neighbors had been notified. Mr. Asselmeier replied yes per State law.

Member Wilson asked where the lights would be located. Adam Theis replied they would be along the existing curb line just west of the parking lot. Mr. Theis said they have thirty-four (34) parking spots on site and seventy-five (75) additional spots on a remote lot and the parking plan meets the requirements of the Zoning Ordinance.

When asked about septic system for permanent toilets, Mr. Theis replied they would be doing a study within the next six (6) months to determine the actual design and location recommendations.

Mr. Theis said they do plan on having events on Sunday with the hours being the same as Saturday hours, with thirty (30) events a year. After discussion on the subject, the Petitioners agreed to have Sunday hours the same as Monday through Thursday hours, closing the facility at 10:00 p.m.

Jeff Spang, speaking as a resident of Fox Township, had the following questions, where do staff and vendors park and how would the Petitioners handle events with no air conditioning in the months of June, July and August. Mr. Spang stated that events are currently held on the property and these events are not private, but public events. Mr. Theis responded that vendors and staff park on the remote lot. There is no air conditioning,

but they will have fans and the temperature is cooler inside the building. They have had no public events and would like to know the dates that Mr. Spang was referencing.

Steven Graves and Kurt Buhle both voiced concerns about the added traffic getting to and from the venue because it is very dangerous stretch of road.

Jeff Spang, speaking as Fox Township Supervisor, reported that Fox Township has an investigation in process and would like for the Commission to lay this proposal over so they can complete their investigation. Member Nelson asked if the continuation of this would impact votes on the issue. Mr. Spang said the investigation could impact votes.

Member Wilson asked if Crimmin Road was a major collector road and Mr. Asselmeier replied yes according to the Land Resource Management Plan. Discussion occurred regarding how Crimmin Road was classified as a major collector road.

Jeanette Buhle expressed concerns about directional signage outside of venue especially at night.

The consensus of the Commission and without any objections from Commissioners, the Petitioner or anyone else in attendance, this proposal was laid over until the June meeting of the Kendall County Regional Planning Commission.

Subject: [External]Brighter Daze Special Use

Matt,

Fox Township Board of Trustees met Monday, June 10th, 2019 for our regular monthly meeting. On the agenda was a discussion about the Special Use Zoning request for Brighter Daze Farm. All Trustees of the Board were present as were the board Attorney, Supervisor, and two of the petitioners, Adam and Joanne Theis. The Special Use request was discussed at length and the following items were understood by all parties present. The Fox Township Board of Trustees are requesting the following Items be included in the final version of the Special Use Zoning Change:

- 1) There shall be NO PARKING on Crimmins Road by vehicles attending or serving functions at the Brighter Daze Venue. All vehicles are to be maintained on the venue operator's property.
- 2) Brighter Daze Farm will dedicate to Fox Township 45' of road right of way measured from the center line of Crimmins Road along the entire property adjacent to Crimmins Road.
- 3) Sound emanating from events at Brighter Daze Farm will not exceed 65dcb measured at the complainant's property line, in conjunction with the State of Illinois Nosie Standards.
- 4) This Special Use is contingent upon the Traffic Study to be completed by the Kendall County Highway Department. Fox Township does not warrant any agreement to provide funding for the construction of any changes deemed necessary by the Traffic Study. Any costs required to address impacts to Crimmins Road brought about by the increases in traffic due to the Brighter Daze Events are to be borne by Brighter Daze.
- 5) Brighter Dazes is limited to no more than 30 (Thirty) events per season defined as April 1st to November 1st of each calendar year.
- 6) Events shall be held only on Saturdays and shall be concluded at or before 10:00pm.
- 7) Currently, the petitioners have requested a limit of 280 guests and have provided only 109 parking spaces on-site for these guests. Fox Township considers this ratio to be inadequate as it does not consider support vehicles (band members, caterers, serving staff, kitchen staff, restroom staff, table bus staff, etc.).

8) Fox Township is a "Dry" township and has been since the repeal of Prohibition in 1933. Approval of this application of Special Use in no way permits the sale or serving of alcohol at ANY event held on-Site

These 8 items represent the items discussed.

Fox Township respectfully requests the Kendall County Regional Planning Commission and the Kendall County Zoning Board of Appeals also consider the safety of the public using this facility. While the petitioners have stated that the maximum number of guests per event will be 280, fire codes could permit a much higher number depending on the configuration of tables, chairs, and equipment. Additionally, the limited number of exits could be of concern. In a brief discussion with the county highway engineer, I was told that the traffic study they would be conducting would be primarily concerned with permissible speed limits to be allowed on Crimmins Road. Fox Township is also concerned about traffic loads and intersection visibilities, considering the potential increase in traffic volumes.

ROLL CALL

Members Present: Bill Ashton, Roger Bledsoe, Tom Casey, Larry Nelson, and Ruben Rodriguez

Members Absent: Bill Davis, Karin McCarthy-Lange, John Shaw, and Claire Wilson

Staff Present: Matthew H. Asselmeier, Senior Planner, Jeff Spang, Adam Theis, and JoAnn Bright-Theis

APPROVAL OF AGENDA

Member Bledsoe made a motion, seconded by Member Nelson, to approve the agenda. With a voice vote of five (5) ayes, the motion carried unanimously.

APPROVAL OF MINUTES

Member Bledsoe made a motion, seconded by Member Casey, to approve the minutes of the May 22, 2019, meeting. With a voice vote of five (5) ayes, the motion carried unanimously.

PETITIONS

19-12 Robert Bright on Behalf of the Madison Trust and Castle Bank N A and JoAnn Bright-Theis

Mr. Asselmeier summarized the changes since the May meeting.

Fox Township requested the following:

1. No parking on Crimmin Road.
2. A right-of-way dedication of forty-five feet (45') as measured from the centerline of Crimmin Road for the entire length of the subject property.
3. No sound greater than sixty-five (65) dBa as measured from the property line of the complaint.
4. The special use permit should be contingent on a completed traffic study with the Petitioner paying for any necessary construction caused by increased traffic on Crimmin Road.
5. A maximum of thirty (30) events per year with an operating season between April 1st and November 1st.
6. Saturday only events with a conclusion of no later than 10:00 p.m.
7. The Township believes inadequate parking is planned for the proposal.
8. No selling or serving of alcohol per Fox Township's dry regulations.

The Township also requested that the advisory bodies consider public safety when making their recommendations.

Mr. Asselmeier also reported that the Petitioner had a paid event on their property on June 3rd. The Petitioners thought that the special use permit would be in place prior to the event and did not want to cancel or reschedule the event.

The recommendations were amended to reflect most of Fox Township's concerns:

1. The site shall be developed substantially in accordance with the attached site plan, landscaping plan, and parking illumination plan.
2. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.
3. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
4. The subject parcel must maintain a minimum of five (5) acres.
5. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
6. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
7. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property. (Last sentence added after discussion with Fox Township).
8. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
9. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

10. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. Barn doors shall close by 7:00 p.m.
11. Events shall be held on Saturdays only and shall conclude by 10:00 p.m. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation.

Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st. The number of events per year shall be capped at thirty (30). (Changed per Fox Township)

12. A new certificate of occupancy must be issued for the barn.
13. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way. (Added per Fox Township).
14. No patron or other entity associated with the business allowed by this special use permit shall be allowed to park on Crimmin Road (Added per Fox Township).
15. The special use permit shall be contingent upon the completion of a traffic study by the Kendall County Highway Department. The operator(s) of the banquet facility allowed by this special use permit shall pay for any improvements to Crimmin Road identified in the traffic study caused by the business allowed by this special use permit. (Added per Fox Township).
16. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
17. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.
18. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
19. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

Chairman Ashton asked about the timeframe for the traffic study. No timeframe was provided. Jeff Spang, Fox Township Supervisor, outlined the nature of the traffic study. The traffic study would examine whether the subject property is a good location for the proposed use based on traffic and the road condition.

Member Nelson asked how the results of the traffic study would impact the proposed special use permit. Supervisor Spang responded the impacts would not be determined until the traffic study was completed.

Discussion occurred regarding the impact of the bridge closure on Crimmin Road.

Several members of the Commission expressed opposition to the traffic study holding up the opening of the business proposed by the special use permit and the requirement that the Petitioners pay for improvements to Crimmin Road because any traffic created by the proposed use would have minimal impact on the safety of Crimmin Road.

Chairman Ashton noted that traffic near the banquet facility on Johnson Road increased more than anticipated. However, the banquet facility on Johnson Road has more events each weekend.

Discussion occurred regarding days of operation. JoAnn Bright-Theis clarified that they (the Petitioners) would be agreeable to limited events to one (1) per weekend and most of these events would occur on Saturdays. Ms. Bright-Theis was agreeable to setting a maximum number of events at thirty (30) per year. Adam Theis stated

that events could also occur on Federal holidays. Supervisor Spang expressed no opposition to capping the number of events at thirty (30) per year and the Fox Township Board favored Saturdays. Several members of the Commission expressed opposition to limiting events to Saturdays only.

Discussion occurred regarding Fox Township's dry regulations. The Petitioners want the ability to serve alcohol at events; the Petitioners would not sell alcohol. Mr. Asselmeier reported that there were seven (7) approved banquet facilities with five (5) of these facilities located in dry townships. Two (2) of these facilities were located in Fox Township. Supervisor Spang explained Fox Township's dry regulations and their plans to enforce Fox Township's dry regulations.

Supervisor Spang asked the Petitioners if the Harvester Vendor Fair was a public event. Mr. Theis responded that the vendors' fee was donated. The property owner was responsible for known uses on their property. The event scheduled for August 24, 2019, will not be a charitable event; the Petitioners hope to have their special use permit in place by that point in time.

Member Nelson made a motion, seconded by Member Casey, to recommend approval of the amended petition with the following changes:

1. Condition 11 be amended that events shall be held on weekends only and shall conclude by 10:00 p.m. Only one (1) event per weekend may occur. For the purposes of this special use permit, weekends shall be Fridays, Saturdays, Sundays, Mondays, and any Federal or State Holiday falling on a Thursday or Tuesday. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st. The number of events per year shall be capped at thirty (30).
2. Condition 15 be amended to say that a traffic study shall be conducted by the Kendall County Highway Department.

Ayes (5): Ashton, Bledsoe, Casey, Nelson, and Rodriguez

Nays (0): None

Absent (4): Davis, McCarthy-Lange, Shaw, and Wilson

The motion passed. This proposal will go to the Zoning Board of Appeals on July 1st.

Supervisor Spang thanked the Commission for giving Fox Township one (1) month to research information on this proposal.

Update on Petition 18-04 Request from the Kendall County Regional Planning Commission for Amendments to the Land Resource Management Plan for Properties Located Near Route 47 in Lisbon Township-Commission Could Withdraw the Petition, Amend the Petition, or Request that the County Board Chairman Place the Petition on a Future County Board Meeting Agenda

Chairman Ashton reported that the Petition has been discharged from the Planning, Building and Zoning Committee with a neutral recommendation. The proposal probably will go to the Committee of the Whole in July or August; Mr. Nelson will contact County Board Chairman Gryder and request that the proposal go to the Committee of the Whole in August because Planning, Building and Zoning Chairman Prochaska will not be at the July Committee of the Whole meeting.

REVIEW OF PETITIONS THAT WENT TO COUNTY BOARD

Mr. Asselmeier reported that Petition 19-08, a map amendment rezoning property east of 8225 Galena Road was approved by the County Board.

Mr. Asselmeier reported that Petition 19-13 pertaining to research and development home occupations was defeated at the County Board, but might be reconsidered.

OTHER BUSINESS/ANNOUNCEMENTS

Mr. Asselmeier reported that two (2) petitions will be on the July agenda, a request to renew a special use permit for a billboard at the corner of Route 34 and Hafenrichter in Oswego Township and a request for special use permit for a landscaping business with a sign variance at 276 Route 52 in Seward Township.

Mr. Asselmeier reported that the Comprehensive Land Plan and Ordinance Committee will start researching zoning regulations pertaining to recreational marijuana.

Mr. Asselmeier reported that the Teska Associates delivered the Zoning Ordinance with changes. However, the Comprehensive Land Plan and Ordinance Committee requested a redlined version of the proposal.

Member Casey asked if Mr. Asselmeier had any update regarding a request for an investigation of a drainage issue at Highgrove Subdivision. Mr. Asselmeier responded that the request has been sent to Fran Klaas, but no update existed.

Member Casey recommended that the Commission recognize Member Rodriguez for the news article about saving a person's life. The Commission recognized Member Rodriguez for his efforts. Member Rodriguez thanked the Commission for the recognition.

ADJOURNMENT

Member Bledsoe made a motion, seconded by Member Casey, to adjourn. With a voice vote of five (5) ayes, the motion passed unanimously. The Kendall County Regional Plan Commission meeting adjourned at 7:50 p.m.

Purpose:	Petitioners Wish to Operate a Banquet Center at the Subject Property. Property is Zoned A-1

Mr. Asselmeier summarized the request.

JoAnn Bright-Theis would like to establish the Brighter Daze Farm and Events banquet facility at the subject property which is currently owned in a trust represented by her father, Robert Bright.

The subject property is approximately thirty-eight acres (38) acres in size.

Crimmin Road is a major collector and scenic route. No trails are planned along the road.

A riverine wetland is located along the southwest edge of the subject property.

The adjacent land uses are agricultural related, farmsteads, religious, or forest preserve. The adjacent zonings are A-1. Based on the aerial of the site, there are six (6) homes within a half mile of the subject property.

The Illinois Natural Heritage Database shows the following protected resources may be in the vicinity of the project location, Millington Fen INAI Site, Fox River INAI Site, Millington Railroad Fen Natural Landmark, Tucker-Millington Fen Natural Preserve, and River Redhorse (*Moxostoma carinatum*). Negative impacts to the above are considered unlikely and consultation was terminated.

The NRI application was submitted on March 14, 2019. The LESA Score was 181 indicating a low level of protection.

Fox Township was emailed information on March 27, 2019. Fox Township submitted comments on April 16, 2019. In particular, Fox Township reiterated that the Township was a dry township; the Township disagreed with the functional classification of Crimmin Road contained in the Land Resource Management Plan; the Township requested a traffic study regarding the impact of the proposed venue on Crimmin Road, including the possibility of improvements to Crimmin Road necessitated by the proposed special use permit. On May 9, 2019, the Petitioner, Fox Township, and the Kendall County Planning, Building and Zoning Department held a conference call on the proposal. The Petitioner agreed to the dry regulations of the Township. The Township stated that they would not fight the functional classification of Crimmin Road in the Land Resource Management Plan. The Township stated that they (Fox Township) would request a traffic study from the Kendall County Highway Department. This study could result in a change of the speed limit on Crimmin Road to a speed less than the current fifty-five miles per hour (55 MPH), a requirement the Petitioners post additional one-way directional signage within their property, and the possibility that Fox Township adopt an ordinance forbidding parking along Crimmin Road. "Venue Ahead" signage along Crimmin Road was discussed. Also, the possible dedication of right-of-way was discussed.

On June 14, 2019, Fox Township submitted updated comments which are included as Attachment 20. In particular, Fox Township requested:

1. No parking on Crimmin Road.
2. A right-of-way dedication of forty-five feet (45') as measured from the centerline of Crimmin Road for the entire length of the subject property.
3. No sound greater than sixty-five (65) dBA as measured from the property line of the complaint.
4. The special use permit should be contingent on a completed traffic study with the Petitioner paying for any necessary construction caused by increased traffic on Crimmin Road.
5. A maximum of thirty (30) events per year with an operating season between April 1st and November 1st.
6. Saturday only events with a conclusion of no later than 10:00 p.m.
7. The Township believes inadequate parking is planned for the proposal.

8. No selling or serving of alcohol per Fox Township's dry regulations.

The Township also requested that the advisory bodies consider public safety when making their recommendations.

Newark Fire Protection District was emailed information on March 27, 2019.

The Village of Newark was emailed information on March 27, 2019.

ZPAC reviewed this proposal at their meeting on April 2, 2019. The Health Department provided information about well monitoring. A site survey will be completed defining the location of the existing septic system. The equestrian business will continue at the property as a separate business. Discussion occurred regarding the planned realignment of Crimmin Road. ZPAC recommended approval with all but (1) member voting yes. One (1) member voted present.

The Kendall County Regional Planning Commission reviewed this proposal at their meeting on May 22, 2019. At this meeting, the Petitioners agreed to layover until the June meeting to allow Fox Township to complete their research on this request.

No variances were requested and the Petitioner will operate the banquet center in compliance with the regulations currently stated in the Zoning Ordinance.

The business plan for the proposed operations, building elevations, landscaping plan, parking illumination plan, and interior plan were provided.

According to the information provided to the County, the proposed banquet facility will utilize the existing approximately eight thousand (8,000) square foot barn for weddings and similar events. The maximum capacity will be approximately two hundred eighty (280) people, with one (1) additional employee. While banquets will occur inside the existing barn, prospective clients could use the exterior grounds for pictures and outdoor ceremonies. The interior of the barn is a converted arena with a concrete floor. The barn is approximately twenty-six feet (26') tall at its peak and ten feet (10') tall at the ends.

An existing pond is located east of the horse barn.

The hours of operation will be Monday through Thursday from 9:00 a.m. until 10:00 p.m. and Friday and Saturday from 9:00 a.m. until Midnight. The facility would be open on the eve and day of all federal holidays. Tours of the facility for prospective customers by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st.

The proposed business would use local sub-contractors for uses on the site, including linens, decorations, food services, beverage services, bathroom services, and cleanup services. Because Fox Township is a dry township, no cash bars are allowed.

The proposed business would use luxury trailer bathrooms for events with the intention to have permanent restroom facilities by 2021. Restroom facilities will be located north of the barn by the parking area.

The dumpster shall be located next to the parking lot by the barn.

If approved, the Petitioners hope to start operations as quickly as possible.

Ancillary items, such as Brighter Daze shirts and glasses, may be sold on the premises.

An updated Occupancy Permit will be required reflecting the change of use from a horse barn to a banquet facility.

Portable bathrooms will be used for events.

The property fronts Crimmin Road. According to the site plan, patrons will enter the property through the driveway north of the existing house. Traffic will drive southeast along the one (1) way driveway to the existing barn, a distance of approximately seven hundred feet (700'). There are thirty-four (34) parking spaces and four (4) additional handicapped accessible parking spaces by the barn. An additional seventy-five (75) parking spaces will be located east of the barn and will be accessible via a gravel driveway; these parking spaces will be served by shuttle. Traffic will exit the property through a one (1) way driveway leading to the north end of the property.

Two (2) new lights are proposed for site. According to the parking illumination plan, no light will leave the property. All lights will be turned off within one (1) hour of the conclusion of events.

One entrance and one exit sign will be installed on the property. The signs will be approximately four hundred thirty-two (432) square inches. Neither sign will be illuminated.

As shown the on proposed site plan, the site contains approximately one hundred sixty-six (166) trees of varying heights encircling the venue.

All music and noise shall originate inside the venue except for processional and recessional at weddings. The facility shall follow the noise regulations for banquet facilities. Speakers will face east and the barn doors will remain closed after 7:00 p.m.

With the combination of distance and plantings, the Petitioners believe noise will not be an issue.

According to information provided to the County, the Petitioners did not charge for events held previously on the property prior to June 1, 2019. On June 3, 2019, the Petitioners contacted the County and stated that they had an event on June 1, 2019, and charged a rental fee for this event. The Petitioners believed that the special use permit would be approved prior to the June 1st date and did not want to cancel the event.

The proposed findings of fact were as follows:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, or general welfare, provided that the site is developed in accordance with an approved site plan, landscaping plan, and lighting plan. Proper buffering and noise controls will be necessary to prevent noise from negatively impacting neighboring properties. The Kendall County Sheriff's Department has not submitted comments expressing concerns for public health and safety, based on the information provided by the Petitioners.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. The proposed use could be injurious to the enjoyment of other property in the immediate vicinity due to noise, light created from the proposed use, and increased traffic. Some of the negative impacts of the proposed use on properties in the immediate vicinity could be mitigated by restrictions related to hours and days of operation, and buffering within the ordinance granting the special use permit.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. True, the Petitioner's site plan addresses utilities, drainage, and points of ingress and egress.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The site conforms to the regulations of the A-1 Agricultural Zoning District.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. True, the proposed use is consistent with an objective found on Page 3-6 of the Kendall County Land Resource Management Plan which states as an objective "Encourage Agriculture and Agribusiness."

Staff recommended approval of the requested special use permit subject to the following conditions and restrictions:

1. The site shall be developed substantially in accordance with the attached site plan, landscaping plan, and parking illumination plan.
2. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.

3. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
4. The subject parcel must maintain a minimum of five (5) acres.
5. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
6. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
7. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property. (Last sentence added after discussion with Fox Township).
8. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
9. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

10. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. Barn doors shall close by 7:00 p.m.
11. Events shall be held on weekends only and shall conclude by 10:00 p.m. Only one (1) event per weekend may occur. For the purposes of this special use permit, weekends shall be Fridays, Saturdays, Sundays, Mondays, and any Federal or State Holiday falling on a Thursday or Tuesday. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st. The number of events per year shall be capped at thirty (30). (Changed per Fox Township and KCRPC Meeting).
12. A new certificate of occupancy must be issued for the barn.

13. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way. (Added per Fox Township).
14. No patron or other entity associated with the business allowed by this special use permit shall be allowed to park on Crimmin Road (Added per Fox Township).
15. A traffic study shall be conducted by the Kendall County Highway Department. (Amended at KCRPC Meeting).
16. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
17. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.
18. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
19. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

Mr. Asselmeier noted that the Petitioners had no control regarding the traffic study and the Petitioners are not bound by the results of the traffic study. Mr. Asselmeier suggested amending this restriction or removing this restriction. Member Thompson noted that the traffic on Crimmin Road will change when the bridge reopens.

Member Clementi asked how the Petitioners planned to prevent outside alcohol from coming onto the property. JoAnn Bright-Theis said that it would be difficult for people sneaking in alcohol for all their guests. There are areas to store beverages.

Chairman Mohr asked about the definition of dry. Adam Theis responded that serving was allowed, but selling was not allowed.

Mr. Asselmeier noted that Fox Township would have the most banquet facilities of any township if this proposal is approved.

Chairman Mohr stated that Crimmin Road might be the worst possible road to place this use.

Chairman Mohr asked about the distance to furthest away parking. Mr. Theis responded that the remote parking lot is approximately two (2) or three (3) blocks from the barn. The proposed parking area is open space. The proposed parking meets the criteria of the Zoning Ordinance.

Member Cherry asked if the barn was used for horses. Ms. Bright-Theis responded that the barn was a nine (9) stall barn with an arena. The arena is the new event space. No horses are located in the barn; there are horses on the property.

Member Thompson noted the scenery along Crimmin Road.

Chairman Mohr opened the public hearing at 7:48 p.m.

John Vogt expressed concerns about noise. Mr. Vogt notified that the noise shakes the glass in windows at his house. He stated that he observed decibel readings of eighty to eighty-five (80-85) have been recorded on his property. He expressed concerns about hill jumpers on Crimmin Road. He would like to

see the doors on the south side of the barn be closed. He complained about a hay depot near his house. He would like to see the zoning regulations enforced. Mr. Asselmeier explained the special use revocation procedure. Mr. Vogt questioned the location of livestock in relation to food service. The Petitioners agreed to shut the south doors before the music gets loud.

Kurt Buhle submitted his comments in writing. Without objection, the Board accepted Mr. Buhle's written comments as an exhibit. Mr. Buhle's concerns were security, compliance and enforcement, negative impacts on land value, noise, traffic, and what's next.

Chairman Mohr asked Mr. Buhle the distance from Mr. Buhle's property to the building. Mr. Theis responded that distance was approximately one thousand feet (1,000').

Member Clementi and Mr. Asselmeier explained how violations are reported and processed.

The barn does not have air conditioning.

Mr. Asselmeier explained how other banquet facilities control noise.

Mr. Theis stated that he lives on the property.

Mr. Buhle asked about the hours of operation. Mr. Asselmeier reported that only one (1) event per weekend could occur. The definition of weekend was read.

Jeff Spang, Fox Township Supervisor, asked the Petitioners how they would control alcohol from entering the site. The Petitioners agreed not to have setup until the day of the event starting at 9:00 a.m.

Mr. Spang requested clarification on the definition of banquet center and event center. Ms. Bright-Theis said craft sales, in addition to banquets, would occur on the property.

Mr. Spang explained that the Fox Township Board is unanimous in remaining dry. The Township wanted the Petitioner to know that the dry rules will be enforced; the Township is not opposed to the banquet center. Mr. Spang explained that serving alcohol at a public venue is not allowed. Mr. Spang said a lawsuit will occur. Mr. Spang noted that the other banquet facilities in Fox Township are located on Hughes Road, which is a straight road.

Mr. Asselmeier read the definitions of banquet halls and seasonal festival. A craft show would need approval as a seasonal festival.

Mr. Spang stated that the CASA event had a cocktail hour. Drink tickets were purchased and exchanged for signature drinks and other alcohol was sold.

The Petitioners are planning a Harvest Vendor Fair in August. Brewers and wineries will be attending this event. A seasonal event permit will be required.

Mr. Spang requested that Fox Township be named explicitly in the federal, state, and local law requirement. The Board agreed to this request.

Chairman Mohr advised the Petitioners that a court action could occur because of the dry regulations.

Mr. Spang expressed concerns about the impact of the venue on Crimmin Road. In particular, he was concerned about having to reconstruct a portion of Crimmin Road for safety reasons. He expressed concerns about speed and sight lines on Crimmin Road. Chairman Mohr asked what a traffic study would show. Mr. Spang responded that, if improvements need to be made to the road because of the special use permit, the Petitioners should assist with paying for these improvements. Ms. Bright-Theis

avored lowering the speeding limit and offered to donate space for a fundraiser to raise funds to realign the intersection of Fox River Drive and Crimmin Road.

Member Clementi requested clarification on the handling of alcohol. Ms. Bright-Theis said they would have to evaluate their options.

Chairman Mohr expressed concerns about the Petitioners' liability in the event someone is killed leaving their property.

Chairman Mohr adjourned the public hearing at 8:40 p.m.

Discussion occurred regarding allowing the Petitioners to have seasonal festivals.

The Board reviewed the findings of fact individually. The votes for each finding is as follows:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, or general welfare, provided that the site is developed in accordance with an approved site plan, landscaping plan, and lighting plan. Proper buffering and noise controls will be necessary to prevent noise from negatively impacting neighboring properties. The Kendall County Sheriff's Department has not submitted comments expressing concerns for public health and safety, based on the information provided by the Petitioners.

Ayes (4): Mohr, Cherry, Fox, and Thompson

Nays (1): Clementi

Absent (2): LeCuyer and Whitfield

Member Clementi stated that the proposed special use permit would be detrimental and will endanger the public health.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. The proposed use could be injurious to the enjoyment of other property in the immediate vicinity due to noise, light created from the proposed use, and increased traffic. Some of the negative impacts of the proposed use on properties in the immediate vicinity could be mitigated by restrictions related to hours and days of operation, and buffering within the ordinance granting the special use permit.

Ayes (3): Cherry, Fox, and Thompson

Nays (2): Mohr and Clementi

Absent (2): LeCuyer and Whitfield

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. True, the Petitioner's site plan addresses utilities, drainage, and points of ingress and egress.

Ayes (5): Mohr, Cherry, Clementi, Fox, and Thompson

Nays (0): None

Absent (2): LeCuyer and Whitfield

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The site conforms to the regulations of the A-1 Agricultural Zoning District.

Ayes (5): Mohr, Cherry, Clementi, Fox, and Thompson

Nays (0): None

Absent (2): LeCuyer and Whitfield

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. True, the proposed use is consistent with an objective found on Page 3-6 of the Kendall County Land Resource Management Plan which states as an objective "Encourage Agriculture and Agribusiness."

Ayes (5): Mohr, Cherry, Clementi, Fox, and Thompson

Nays (0): None

Absent (2): LeCuyer and Whitfield

Each finding passed.

Member Thompson made a motion, seconded by Member Cherry, to recommend approval of the special use permit with the conditions proposed by Staff and with the following amendments:

1. The last sentence of condition 10 was changed to read, "For events with music, all barn doors shall close by 7:00 p.m."
2. Condition 15, regarding the traffic study, should be deleted.
3. Condition 17 was changed to read, "The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws including, but not limited to, Fox Township's laws, related to the operation of this type of business."

The votes were as follows:

Ayes (4): Mohr, Cherry, Fox, and Thompson

Nays (1): Clementi

Absent (2): LeCuyer and Whitfield

The motion passed. This matter will go to the Kendall County Planning, Building and Zoning Committee on July 8, 2019.

The Zoning Board of Appeals completed their review of Petition 19-12 at 8:53 p.m.

ADJOURNMENT OF THE ZONING BOARD OF APPEALS

Member Clementi made a motion, seconded by Chairman Mohr, to adjourn. With a voice vote of five (5) ayes, the motion passed unanimously. The Zoning Board of Appeals meeting adjourned at 8:56 p.m.

The next hearing/meeting will be on July 29, 2019.

Petition 19-12, A-1 Special Use – Banquet Facility

My 5 Major Concerns:

1. ***Security*** – When having events and large crowds, you do not know all of the attendees and you never know what type of people the event will draw. I don't want to worry about the safety of my family, my daughter, or my property. When there is alcohol involved, the concern is even greater.
2. ***Compliance/enforcement*** – There are a number of rules laid out in the permit proposal. How is compliance to those rules enforced? Do the current zoning regulations allow for events such as weddings to be held? If not, those current regulations are not being adhered to now. Why is there reason to believe that future regulations would be adhered to? What are the repercussions of not adhering to the regulations of the permit? How many violations before action is taken? Can a permit be revoked? Can a permit be denied renewal? My family's lifestyle will be directly, negatively impacted by every single event that is held.
3. ***Negative impact to my land value*** – This is one of our largest investments. We've invested a lot in a beautiful, peaceful country way of life. This is why we moved to an AG zoned area. I do not want my investment negatively impacted due to noise every weekend, security concerns and increased traffic on a dangerous road.

4. **Noise** - I want my daughter to have the opportunity to experience, appreciate and respect the country way of life, as I did when I was growing up. We moved here to enjoy the peace & quiet. If there are 30 events estimated, those are condensed into 7 working months of the year, which is more than 4 events/month. That is an event at least every weekend which would be a major disturbance to the peace & quiet. With commuting to work every day during the week, our only downtime for decompression is on the weekends. I do not want to hear an event every weekend. We have observed an event (I assume a wedding) on Saturday, June 8. Standing in front of my garage I could hear every word of every song. The DJ speaking was even louder than the music. The barn doors were open. When we turned off the TV to go to bed at 10:30pm, we could hear the music inside our house. **To have to deal with that every week in an AG zoned area is ridiculous.** I want to sit by my campfire with my family, listening to the crickets, coyotes and owls.

5. **Traffic** – I have major concern regarding the increase in traffic. Crimmin is a dangerous road for people who know it, let alone folks unfamiliar. It's already clear from the previous events, that the attendees and vendors are not familiar with this road. Night time is very risky with deer and bad visibility. We already have issues with people blowing by the stopped school bus with the existing amount of traffic. **In less than 5 years my daughter will be a new driver on the road and I don't want her to have to deal with this traffic on our road...it's zoned AG!** During the event that took place on June 8, I witnessed a new black Dodge Challenger pass the driveway and back up in the middle of the road when approaching from the South. I also witnessed a silver F150 do the same when approaching from the North. I also witnessed a Famous Daves catering truck back out of the driveway onto the road because someone else was coming out of the driveway. My wife saw the shuttle bus pull out across both lanes because it was too large to stay in it's lane. All of this in just one single event! A

previous event had a stretch Hummer limo close the road for a good 10 minutes trying to pull in, before moving on to the North entrance. **I don't want provisions to make the increased traffic safer, I want to prevent the increased traffic this is zoned AG!**

6. ***What next/the unknown*** – It has been my experience that messing with the zoning is always the first domino to fall. What comes next road changes due to increased traffic? Liquor license and intoxicated drivers? Zoning changes from AG? We moved out here for peaceful country living and I don't want to see it changed. It should remain that way.

I grew up on a small farm in a very rural area in southern Kendall County. Looking for an AG zoned property, we moved to our current home so I could provide my family with the peaceful country living that I was able to experience, appreciate and respect. We've invested a lot to be here and our Return On Investment (ROI) is our peace and quiet we get to come home to every day. I do not want my investment and return negatively impacted when the existing AG zoning ensures it should not be. It is for these stated reasons that I must STRONGLY oppose this petition for a special use permit.

Thank you for your time and consideration.

Sincerely,

A black rectangular box redacting the signature of Kurt Buhle.

WHEREAS, based on the evidence, testimony, and exhibits, the Kendall County Zoning Board of Appeals has made their Findings of Fact and recommended approval of the special use permit with conditions as set forth in the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, dated July 1, 2019, a true and correct copy of which is attached hereto as Exhibit B; and

WHEREAS, the Kendall County Planning, Building and Zoning Committee of the Kendall County Board has reviewed the testimony presented at the aforementioned public hearing and has considered the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, and has forwarded to the Kendall County Board a recommendation of **approval/denial** of the requested special use permit with conditions; and

WHEREAS, the Kendall County Board has considered the recommendation of the Planning, Building and Zoning Committee and the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, and has determined that said petition is in conformance with the provisions and intent of the Kendall

State of Illinois
County of Kendall
County Zoning Ordinance; and

Zoning Petition
#19-12

WHEREAS, this special use permit shall be treated as a covenant running with the land and is binding on the successors, heirs, and assigns as to the same special use conducted on the property; and

NOW, THEREFORE, BE IT ORDAINED, BY THE COUNTY BOARD OF KENDALL COUNTY, ILLINOIS, as follows:

1. The Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals attached hereto as Exhibit B is hereby accepted and the Findings of Fact set forth therein are hereby adopted as the Findings of Fact and Conclusions of this Kendall County Board.
2. The Kendall County Board hereby grants approval of Petitioner's petition for a special use permit allowing the operation of a banquet facility on the subject property subject to the following conditions:
 - A. The site shall be developed substantially in accordance with the Site Plan attached hereto as Exhibit C, Landscaping Plan attached hereto as Exhibit D, and Parking Illumination Plan attached hereto as Exhibit E.
 - B. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.
 - C. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
 - D. The subject parcel must maintain a minimum of five (5) acres.
 - E. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
 - F. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
 - G. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property.
 - H. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
 - I. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

- J. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. For events with music, barn doors shall close by 7:00 p.m.
 - K. Events shall be held on weekends only and shall conclude by 10:00 p.m. Only one (1) event per weekend may occur. For the purposes of this special use permit, weekends shall be Fridays, Saturdays, Sundays, Mondays, and any Federal or State Holiday falling on a Thursday or Tuesday. Tours of the facility for prospective customers shall be by appointment and could occur outside the listed hours of operation. Setup for events would start at 9:00 a.m. on the day of the event and customers would have one (1) hour to vacate the premises after the conclusion of the event. The facility would close on November 1st and reopen April 1st. The number of events per year shall be capped at thirty (30).
 - L. A new certificate of occupancy must be issued for the barn.
 - M. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way.
 - N. No patron or other entity associated with the business allowed by this special use permit shall be allowed to park on Crimmin Road.
 - O. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
 - P. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws including, but not limited to Fox Township's laws, related to the operation of this type of business.
 - Q. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
 - R. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.
3. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this special use permit.

IN WITNESS OF, this ordinance has been enacted by a majority vote of the Kendall County Board and is effective this 16th day of July, 2019.

Exhibit B

FINDINGS OF FACT

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. The establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, or general welfare, provided that the site is developed in accordance with an approved site plan, landscaping plan, and lighting plan. Proper buffering and noise controls will be necessary to prevent noise from negatively impacting neighboring properties. The Kendall County Sheriff's Department has not submitted comments expressing concerns for public health and safety, based on the information provided by the Petitioners.

Member Clementi dissented with the above Finding and stated that the proposed special use permit would be detrimental and will endanger the public health.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. The proposed use could be injurious to the enjoyment of other property in the immediate vicinity due to noise, light created from the proposed use, and increased traffic. Some of the negative impacts of the proposed use on properties in the immediate vicinity could be mitigated by restrictions related to hours and days of operation, and buffering within the ordinance granting the special use permit.

Chairman Mohr and Member Clementi dissented with the above Finding.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. True, the Petitioner's site plan addresses utilities, drainage, and points of ingress and egress.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The site conforms to the regulations of the A-1 Agricultural Zoning District.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. True, the proposed use is consistent with an objective found on Page 3-6 of the Kendall County Land Resource Management Plan which states as an objective "Encourage Agriculture and Agribusiness."

Recommendation

The Kendall County Zoning Board of Appeals recommends approval of the requested special use permit with the conditions:

- A. The site shall be developed substantially in accordance with the attached Site Plan, Landscaping Plan, and Parking Illumination Plan.
- B. Permanent restroom facilities shall be installed by 2021. When the permanent restroom facilities are installed, the portable bathrooms shown on the attached site plan shall be removed.

- C. A maximum of two hundred eighty (280) guests in attendance at a banquet center related event may be on the subject property at a given time.
- D. The subject parcel must maintain a minimum of five (5) acres.
- E. The use of this property shall be in compliance with all applicable ordinances. The banquet facility shall conform to the regulations of the Kendall County Health Department and the Kendall County Liquor Control Ordinance. (Ord. 99-34)
- F. Off-street parking, lighting and landscaping shall be provided in accordance with the provisions of Section 11 of the Zoning Ordinance.
- G. All signage shall comply with the provisions of Section 12 of the Kendall County Zoning Ordinance. The signage shall be developed in accordance to the attached site plan. Any signage provided will not be illuminated. The owners of the business allowed by this special use permit may install additional non-illuminated traffic directional signs not shown on the approved site plan within their property.
- H. Retail sales are permitted as long as the retail sales will be ancillary to the main operation.
- I. The noise regulations are as follows:

Day Hours: No person shall cause or allow the emission of sound during daytime hours (7:00 A.M. to 10:00 P.M.) from any noise source to any receiving residential land which exceeds sixty-five (65) dBA when measured at any point within such receiving residential land, provided; however, that point of measurement shall be on the property line of the complainant.

Night Hours: No person shall cause or allow the emission of sound during nighttime hours (10:00 P.M. to 7:00 A.M.) from any noise source to any receiving residential land which exceeds fifty-five (55) dBA when measured at any point within such receiving residential land provided; however, that point of measurement shall be on the property line of the complainant.

EXEMPTION: Powered Equipment: Powered equipment, such as lawn mowers, small lawn and garden tools, riding tractors, and snow removal equipment which is necessary for the maintenance of property is exempted from the noise regulations between the hours of seven o'clock (7:00) A.M. and ten o'clock (10:00) P.M.

- J. No music shall originate outside of any building. This exemption shall not apply to non-amplified music used or performed as part of a wedding ceremony. All speakers shall be pointed towards the inside of buildings. For events with music, barn doors shall close by 7:00 p.m.

- L. A new certificate of occupancy must be issued for the barn.
- M. Within ninety (90) days of the approval of this special use permit ordinance, the owners of the subject property shall dedicate a strip of land along the entire western boundary of the property at a depth of forty-five feet (45') as measured from the centerline of Crimmin Road to Fox Township to be used as Crimmin Road right-of-way.
- N. No patron or other entity associated with the business allowed by this special use permit shall

be allowed to park on Crimmin Road.

- O. The operator(s) of the banquet facility acknowledge and agree to follow Kendall County's Right to Farm Clause.
- P. The operator(s) of the banquet facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws including, but not limited to Fox Township's laws, related to the operation of this type of business.
- Q. Failure to comply with one or more of the above conditions or restrictions could result in the amendment or revocation of the special use permit.
- R. If one or more of the above conditions is declared invalid by a court of competent jurisdiction, the remaining conditions shall remain valid.

The Kendall County Zoning Board of Appeals issues this recommendation by a vote of five (4) in favor, one (1) opposed, and two (2) absent.

MEMORANDUM

To: Kendall County Planning, Building & Zoning Committee

From: Matthew H. Asselmeier, AICP, Senior Planner

Date: July 3, 2019

Re: Bed and Breakfast Regulations

Bed and breakfast establishments are special uses in the A-1, R-1, RPDs, and R-2 zoning districts.

It has come to the attention of the Kendall County Planning, Building and Zoning Department that a property on Rock Creek Road was advertising on AirBnB. This establishment was also featured recently in an article in Glance Magazine. A copy of the article is attached.

Upon review of AirBnB's website, another property in Boulder Hill was advertised on the site. Bed and breakfast establishments are not allowed in the R-6 and R-7 zoning districts.

Both of the previously mentioned properties were sent notices to comply with the Kendall County zoning regulations.

A copy of Kendall County's bed and breakfast zoning regulations are attached. A copy of the Illinois Bed and Breakfast Act is also attached.

If you have any questions, please let me know.

Thanks,

MHA

FABULOUS FAMILY | Meet The Cades & Their 100-Year Old Pullman Palace Train Car

March 2, 2019

Kristen Kucharski Photos by Mike Mantucca

OL' FASHIONED FAMILY FUN IN A PULLMAN PALACE TRAIN CAR

PLANO—Willie and Carol Cade enjoy making memories with their four adult children Sarah, Elise, Amy, Paul, and granddaughter Grace in a 100-year old Pullman Palace train car.

“The train car Constitution was purchased almost 80 years ago by my cousin’s grandfather,” Willie shares. “He was the president of Union Tank Car. When he learned that George Pullman was going to take the car off the tracks, he bought it and placed it on the lovely bluff overlooking Rock Creek since he owned and operated Rock Creek Farm.”

Willie’s father had acquired the train car 20 years ago and when his parents passed away, they passed it on to him and his family. So while, Carol spends her days working as a spiritual director and a trainer of the Montessori based Catechesis of the Good Shepherd, Willie researches the Pullman records at the Illinois Rail Road Museum and the Newberry Library to prepare a full restoration of the train car Constitution.

Willie feels honored to share the history of the private Pullman train car, the Constitution, which was built in 1905 and served as "Air Force One" for presidents Harding and Wilson. The original car consists of four state rooms, an observation deck, a dining room, and a galley. When the train car was moved to its current spot, two large living rooms with fireplaces, a master bedroom, and bathroom have been added.

“When the president of Illinois Railway Museum visited, he said it was the most well-preserved Pullman train car in the U.S.,” Willie shares proudly. “Pullman built three cars like the Constitution; and although he always owned it, he rented it out for \$75/day which included a cook and a porter.”

The Cade Family appreciates the privilege to be stewards of this piece of history and enjoy even more sharing it with others through Airbnb rentals at this link

BED AND BREAKFAST ESTABLISHMENTS - A lodging establishment, generally in a single-family dwelling and/or detached guesthouse, primarily engaged in providing overnight or otherwise temporary lodging for the general public and may provide meals for compensation.

11. Bed and breakfast establishments are permitted subject to the following conditions:

- a. Shall have no more than five (5) guest rooms for rent.
- b. Shall be in operation for not less than six (6) nights in a six (6) month period.
- c. Shall maintain a guest register which shall be available at all times for inspections.
- d. Shall be located in a single family detached dwelling, not an accessory building or garage.
- e. Shall satisfy all requirements of the Kendall County Health Department in accordance with the requirements set forth in the most recent version of the Kendall County Food Establishment Sanitation Ordinance and Building Department prior to the issuance of occupancy permits.
- f. In addition to the parking requirements for a single family detached dwelling, the bed and breakfast establishment shall provide one (1) additional space for each guest room. The off street parking for a bed and breakfast establishment shall not be located in any required yard, but it shall be screened from adjacent properties by a landscape screen of at least fifty (50) percent capacity.
- g. Only one (1) sign shall be permitted for each bed and breakfast establishment. The maximum size of such sign shall be four (4) square feet per sign face.
- h. Each guest room may have its own private bath. No guest room shall have any kitchen facilities.
- i. Guest room shall mean sleeping room intended to serve no more than two (2) adult transient guests per night.
- j. Accommodations shall be provided in guest rooms only. The length of stay in a bed and breakfast establishment shall be a maximum of One (1) week.
- k. Any application for a special use shall include, in addition to all other documents required for a special use application, floor plans drawn to scale accurately showing the guest rooms in relation to the rest of the single family detached dwelling.

LOCAL GOVERNMENT
(50 ILCS 820/) Bed and Breakfast Act.

(50 ILCS 820/1) (from Ch. 71, par. 101)

Sec. 1. This Act shall be known and may be cited as the "Bed and Breakfast Act".

(50 ILCS 820/3) (from Ch. 71, par. 103)

Sec. 3. The corporate authorities of any county or municipality shall:

(1) Provide for the regulation, safe operation, licensing and inspection of bed and breakfast establishments.

(2) Provide for examination and regulation of bed and breakfast establishment operators.

(3) Designate and use full-time municipal, district, county or multicounty health departments and local fire departments as its agents.

However, the powers granted to the corporate authorities of counties by this Act shall apply only to unincorporated areas within the county.

(50 ILCS 820/4) (from Ch. 71, par. 104)

Sec. 4. Bed and breakfast establishments which serve breakfast shall comply with the following minimum standards:

(1) Food shall be clean, wholesome, free from spillage, free from adulteration and misbranding and safe for human consumption. Containers of food shall be stored above the floor, on clean racks, shelves or other clean surfaces in such a manner as to be protected from splash or other contamination. Milk of only pasteurized Grade A may be used. Use of home canned food is prohibited except for jams and jellies.

(2) Food shall be protected from contamination while being stored, prepared and served, and during transportation.

Perishable foods shall be stored at temperatures that will protect them against spoilage. Potentially hazardous food shall be maintained at safe temperatures of 45 degrees F. or below, or 140 degrees F. or above, as appropriate, except during necessary periods of preparation and serving. Frozen food shall be kept at temperatures that will keep them frozen, except when being thawed for preparation. Potentially hazardous frozen food shall be thawed at refrigeration temperatures or below, quick thawed as part of the cooking process, or thawed by another method approved by the local Health Department. An indicating thermometer shall be located in each refrigerator. Raw fruits and vegetables shall be washed thoroughly before use. Stuffings, poultry, and pork products shall be cooked to heat all parts of the food at least 165 degrees F. before being served. Salads made of meat, poultry, potatoes, fish, shellfish, or eggs and other potentially hazardous prepared food, shall be prepared from chilled products with a minimum of manual contact. Portions of food once served to an individual may not be served again. Laundry facilities shall be separated from food preparation areas. Live animals shall be excluded from food preparation areas.

(3) No person knowingly infected with a communicable disease that may be transmitted by food handling may work in a bed and breakfast establishment.

(4) If the bed and breakfast operator suspects that any employee, family member or the operator himself or herself has a communicable disease, the operator shall notify the local Health Department immediately.

(5) All operators shall be certified. Certification shall be achieved by successfully completing an examination offered by the local Health Department as described in the current edition of the State of Illinois Food Service Sanitation Rules and Regulations.

(6) Persons preparing or serving food or washing utensils shall wear clean outer garments and maintain a high degree of personal cleanliness. They shall wash their hands thoroughly before starting work and as often as necessary while working to remove soil and contaminants. After visiting a toilet room, persons shall wash their hands thoroughly in a lavatory but never in the kitchen sink.

(7) No one, while preparing or serving food, may use tobacco in any form.

(8) Utensils shall be kept clean and in good repair.

(9) Multiuse eating and drinking utensils shall be thoroughly cleaned after each use. Facilities needed for the operations of washing, rinsing and sanitizing shall be provided.

(10) Pots, pans and other utensils used in the preparation or serving of food or drink and all food storage utensils shall be thoroughly cleaned after each use. Cooking surfaces of equipment, if any, shall be cleaned at least once each day. Non-food contact surfaces of equipment shall be cleaned at intervals that will keep them in a clean and sanitary condition.

(11) Residential sinks and home-style mechanical dishwashing machines are acceptable facilities for washing

multi-use eating and drinking utensils. Utensils shall be air dried.

(12) Immediately following either manual or mechanical washing of eating or drinking utensils, and pots, pans and other cooking utensils, these utensils shall be effectively sanitized by being submerged in a hypochlorite solution with a chlorine concentration continuously maintained in one hundred parts per million, or another approved sanitizing solution which shall be used at the concentration tested and approved by the local Health Department. Dishpans may be used to accomplish the final sanitizing rinse.

(13) The reuse of single-service utensils is prohibited. (Source: P.A. 85-399.)

(50 ILCS 820/5) (from Ch. 71, par. 105)

Sec. 5. Each person who is provided accommodations shall be provided individual soap and clean individual bath cloths and towels. Clean bed linen in good repair shall be provided for each guest who is provided accommodations and shall be changed between guests and as often as necessary. Clean linen shall be stored and handled in a sanitary manner.

(Source: P.A. 85-399.)

(50 ILCS 820/6) (from Ch. 71, par. 106)

Sec. 6. Bed and breakfast establishments shall meet the State Fire Marshal's requirements for one and two-family dwellings. In addition, the following standards shall be required:

(a) Manual extinguishing equipment shall be provided on each floor in accordance with NFPA 10 - Standards for the Installation of Portable Fire Extinguishers.

(b) All combustibles or flammable liquids shall be stored in approved metal containers. No combustible storage in or under stairways.

(c) All trash containers shall be metal.

(d) No cooking facilities shall be permitted in guest rooms.

(e) All hallways and stairways shall be adequately lighted.

(f) No portable heating devices shall be permitted in guest rooms.

(g) The operator shall submit a floor plan of the bed and breakfast establishment to the local Fire Department.

(h) Smoke detectors shall be provided in each guest room. (Source: P.A. 85-399.)

(50 ILCS 820/7) (from Ch. 71, par. 107)

Sec. 7. The bed and breakfast establishment shall provide proof of adequate liability insurance as required by the licensing agency.

(Source: P.A. 85-399.)

(50 ILCS 820/8) (from Ch. 71, par. 108)

Sec. 8. The bed and breakfast establishment shall fulfill the requirements of the Illinois Department of Revenue, including the payment of any applicable hotel taxes.

Re: Plumbing Inspection Contract with Randy Erickson, D.B.A Erickson Construction

Kendall County's contract with Randy Erickson, D.B.A Erickson Construction expires in December 2019.

At the June 24th meeting, the Committee requested that the Department to contact Mr. Erickson to see if a fee increase would be required to cover the new insurance requirements. According to Mr. Erickson, his fee would rise from One Hundred Forty Dollars (\$140) per inspection to One Hundred Fifty Dollars (\$150) per inspection. Accordingly, the County would need to raise the plumbing inspection fee to One Hundred Sixty Dollars (\$160) to cover the Ten Dollar (\$10) difference.

Staff requests guidance on how to proceed.

If you have any questions, please let me know.

Thanks,

MHA

Violation # 19062

Parcel # 03-04-326-006

54 MARNEL RD
MONTGOMERY, IL 60538 -

It is often easy in our busy schedule to overlook the condition of our property. We sometimes do not even realize that an ordinance requiring safety procedures may be in effect.

In an effort to prevent problems, your County Board Members have passed ordinances which require certain procedures to be followed in an effort to protect the well being and health of the citizens of Kendall County. An Inspection of your property conducted as of this date revealed the following violation:

ZONING ORDINANCE VIOLATION 11.05 A.1 b.ii

PROHIBITED BOAT PARKING IN REQUIRED FRONT YARD

Since most residents are not aware of such code violations, the County allows the property owner a fourteen (14) day period in which to correct this situation. Please contact our office by Thursday, May 30, 2019.

Kendall County can only continue to prosper through its citizen's positive attitude towards home, neighborhood, and community. Your prompt attention and cooperation in this matter would be appreciated. Should you have any questions, please contact this office at the above number.

If said violation is not corrected, this matter will be forwarded to the Kendall County States Attorney's Office for prosecution and the possible imposition of fines.

Sincerely,

Kendall County Planning, Building & Zoning
